"Creating Pathways to Bright Futures"

**KBEC GROUP, INC.'S  
T<sup>2</sup>EC PROGRAM  
CULINARY ARTS JOB TRAINING**

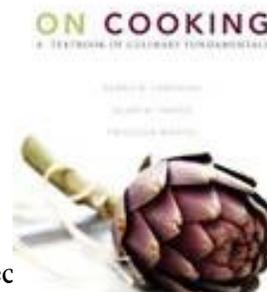

**Your future can start today!**

**CULINARY ARTS TRAINING PROGRAM**

T<sup>2</sup>EC's Culinary Arts Program prepares participants to gain employment in entry-level positions in the fast-paced and exciting industry of food operations and restaurants. Participants, over the course of six –ten months, will receive instruction using the highly respected American Culinary Federation Education Foundation (ACFEF) Culinary Training Program curricula. As a ACFEF Program trainee, will work under the supervision of an ACF-certified chef and become competent in the following areas:

- Sanitation and Safety
- Tools and Equipment
- Knife Skills
- Cold Kitchen - Pantry
- Hot Kitchen

Successful trainees will receive completion from ACFEF and will earn up to 16 continuing education hours towards the ACFEF's Certified Culinarian. In addition, industry certification under the American Hotel and Lodging Educational Institute (AHLEI) as a Kitchen Cook and Guest Service Professional and ServSafe Food Safety Manager Certification. are also offered.

**OTHER JOB TRAINING PROGRAMS**

The KBEC Group, Inc.'s job training program focuses on one goal—supporting participants in attaining sustainable employment. Our training programs are based on industry recognized and endorsed curricula and lead by certified industry instructors and professionals to ensure persons are equipped with the skills and knowledge to compete in the workforce. Training areas include Hospitality Operations, Medical Office and Support Services, Customer Service/Retail, Business and Office Technology, Multi-Media Communication and more.

**WHO IS ELIGIBLE?**

- Youth seeking transition and training for entry-level employment
- Adults seeking new skills and a fresh start
- Persons seeking pathways to a brighter future
