

## Thoughts From Last Sunday

In Acts 4:32-25, the early church was so excited that God had set them free, that they really shared with each other. These folks were giving away their stuff—their homes, their lands, their futures —so others would have enough.

If we are trying to live our lives with no regrets, possessions are a big challenge for us. Here's a question to consider: Are our possessions getting in the way of what God has for us, for our lives? God says 'don't hold on to your stuff, hold on to me. I will satisfy.'

If something is getting in your way, something owns you —rather than you owning it —sometimes the best thing is to just dump it. Be generous. Share with others. Don't hold tightly to things you can't take into eternity. Hold tightly to Jesus because He'll never let you go.
