

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

With our Phase 1 grand opening completed, we are now in Phase 2 of the Downtown Y Project. Thank you for your amazing responses to what we have been able to share so far. Lester Millette and his team have worked tirelessly and take every comment to heart. The overwhelming support to date has been greatly appreciated. We look forward to completing the community campaign. Please contribute this fall if you have not done so already to help us wrap up the project. Y Staff are happy to meet with you to discuss giving opportunities.

As we begin Phase 2, you will see the demolition of the old spaces we are no longer using to make way for renovations. We will be doing a complete renovation of the Basketball Gym to include new heating and cooling, Administrative Offices and the completion of our Intergenerational Room equipped with a teaching kitchen, a lower level multi-purpose room and Yoga Studio featuring Hot Yoga. Additionally, once demolition is completed, you will see all new green spaces, the completion of our walkway from Washington Avenue, our outdoor gardens and Child Care playground. Phase 2 is scheduled for completion by the end of December 2017.

PLEASE NOTE:

A reminder to our valued members that we are still a construction site and there will be crews working both inside and outside until the project is complete. Your continued patience is so appreciated as we all work together to bring this project to completion.

We cannot emphasize enough that we are so grateful for our members, donors, construction crew and Y staff for being able to bring this wonderful project along in a safe and productive manner.

See you at the Y,

Tom Blaze

CEO/President
