SPONSOR A YOUTH SPORTS TEAM.

FOSTER LIFE SKILLS

Children who play sports develop general physical fitness in a way that's fun, while establishing great life-long habits for good health, teamwork, leadership and more.

MAKE A DIFFERENCE IN A CHILD'S LIFE

SPONSOR YMCA YOUTH SPORTS. IT'S A WIN-WIN.

When you sponsor a team, your business name or logo will appear on a team's shirt or jersey, and you will receive a team photo to display in your workplace (when team photos are taken). You get great visibility in the community while making it possible for kids to be involved in team sports at an affordable cost.

It's a WIN-WIN!

Studies show that participation in youth sports can positively affect aspects of personal development among young people, such as self-esteem, goal-setting, and leadership—along with instilling good lifetime habits for health and fitness.

Participation in youth sports is a significant predictor of young adults' participation in sports and physical fitness activities. Adolescents who play sports are 8 times as likely to be active at age 24 as adolescents who do not play sports.* Your support can help make our whole community healthier.

Show your support of our Oshkosh community and kids' growth by sponsoring Youth Sports at the Y.

Please call or email for more information, or return this sponsorship form today.

We thank you and the kids thank you. You really can make a difference.
