How does MFA20 work?

- For the convenience of online enrollment, if you believe your financial situation is such that you would be a candidate for financial assistance, we invite you to use the online coupon code MFA20 and the Y will provide you a 20% subsidy upon joining. (Online offer only)
- Honesty is a core value of the Y. Please be honest about your financial situation, and only use the code if truly needed.
- Y staff will contact you directly after your online enrollment to review your membership. The Y may remove your financial assistance at anytime with 30 days' notice due to a change in your status or a change in Y resources.
- If you believe you would qualify for a greater subsidy, we invite you to complete the financial assistance application located on the financial assistance webpage or available at either Y front desk.
- Members with a household membership receive member only pricing for Y programs, including swim lessons, Youth sports, Pre-school sports, Special events and more.
 - *Additional* scholarship dollars of up to 50% off are available for programming. A financial assistance application is required to qualify for this benefit.
- Exclusions may apply. Offers valid for new members at the Oshkosh Community YMCA only. Not valid with other offers and discounts.
- This is not a promotion or gimmick; the Y is here to serve you and your family. We look forward to seeing you at the Y.
