Togethering

Powerful Partnerships

Our big idea is simply this: new energy for kingdom work is activated as ministry partnerships deepen. As Ecclesiastes 4:9 reminds us, "Two are better than one, because they have a good return for their work." This year's assembly will launch into a new era of partnership and unity. A new model of state ministry will be introduced as we seek to reclaim what Hell has stolen. Bring your lay leaders and staff for a great time of visioning, encouraging, and unity.
