*The premise: "At 211 degrees, water is hot. At 212 degrees, it boils.
And with boiling water, comes steam. And with steam, you can power a train.
Just one extra degree makes all the difference."*

◦ **Featured Speaker**

Ken and his wife, Sheila, have been in ministry together for over 37 years and bring a diversity of experience to the local church. They've led small and large churches and even took the plunge twice to plant two churches (Chicago and Orlando). This experience helps Ken coach pastors and church leaders since he understands the challenges they face. He currently serves the Florida Church of God State ministries as state pastor and is a member of the Ministries Council. Sheila's been a partner with Ken as they've endeavored to help people experience the reality of God's heart for them. They have a daughter and son-in-law and one grandchild.

◦ **The Extra Degree: The One Focus That Alters The Future**

Many dreams are born with passion and hope but soon after wither in the heat of life, lack of resources and the trials of ministry. The extra degree discussed here is not a quick fix, but if lived faithfully and regularly WILL alter the future.... and you can do it! **Leader: Ken Love**

◦ **The Seismic Shift For Impact**

This one little—or big—shift will release passion, fire, determination, fueling hope and action. While subtle and often hidden, this one-degree of change has the power to draw leaders, finances and impact. **Leader: Ken Love**

◦ **In Pursuit of the Difference Makers**

Ministry leaders long to find volunteers for ministry who feel called and exude passion about their life in the Kingdom. They want to make a difference! Is this an impossible dream? Let's talk about it. **Leader: Sheila Love**

◦ **The Healing Power of Worship**

God is worthy of the praises of His people and He delights in their worship. But worship does more than empower our spiritual life; it also produces amazing results in our emotional, psychological, and physiological self. Come see how the power of worship fuels His people. **Leader: Cindy West**

◦ **Youth Leaders**

Texas youth leaders will facilitate an important time of discussion and learning for those involved in today's youth ministry.

◦ **Not All Kids Are the Same**

The church is increasingly multi-cultural. At New Vida, the merger of a Hispanic congregation with the predominantly white congregation brought challenge and celebration. Learn more about leading multicultural children's ministry here. **Leader: Lorena Rodriguez**

◦ **Where's the Beef? Giving Kids the Substance They Need to Build a Lasting Faith.**
