October 9, 2015

## **REMEMBER!!!!**

**October 12, 2015:** NO School!

## **Picture day: Oct 15<sup>th</sup>**

Students need to wear their school uniforms. Everyone will get their picture taken whether parents purchase them or not because their picture will go in the yearbook.

## **GAP – Grace-filled Action Plan**

Temple Christian School is participating in personal care pantry to help the needy in the community. These items are not normally available through other resources. Students can begin bringing in items to place in bins in the lobby outside the elementary office. High school students will have bins near the office in the high school building.

**Items needed:** adult diapers, cotton swabs, feminine hygiene products, hand sanitizers, bar soap, facial tissues, liquid soaps, band-aids, bubble bath, nail clippers, shampoo, conditioner, dialers, hair spray, shaving cream, baby wipes, razors, baby shampoo, baby lotion, tooth brushes, baby powder, mouth wash, diaper rash cream, dental floss, paper towels, deodorant, household cleaning products, hand & body lotion, sponges, bath towels, laundry detergent, wash cloths, dryer sheets, hair brushes, bleach, combs, small laundry baskets, hair clips, pins, medical ointments, toilet paper, paper towels

## **Looking for a freezer for our cafeteria:**

The ladies of the junior and senior high school classes who so graciously fix meals on Monday and Wednesday need more space for the ingredients they use to prepare meals. There is room for either a chest or upright freezer in the kitchen area, so if you or someone you know has a freezer to donate or are willing to sell cheap, please let the school office know.

## **Host Families needed:**

We are working with two agencies right now to get international students for second semester. They would arrive in January and leave at the end of the school year. This is a great opportunity for you and your family to experience students from other cultures and more importantly a way for you to be a missionary right from your own home. There is a monthly stipend during the student's stay. Contact the school for more information.

**Have you reviewed?:**

1. Temple Christian News: if you go to the web site on the first page, our Multimedia Journalism class is working hard to bring you things about or school.
2. Update on News Letter: on the front of our web page you can click on update from Dr. Powell and that will show you our current newsletter.
3. Have you reviewed our Tweets on the front page?
4. Have you reviewed the Facebook information?

**Lockdown:**

We will be having our monthly lockdown very soon. It is the responsibility to talk with your child about cooperation during this time, especially emphasizing that this should be taken serious and following directions is important. Locking our school down due to an intruder is very serious; we must prevent and do all we can to protect the students.

**Parent Conferences:**

November 2-20 and November 23 and 24 is open for Parent conferences.

**OPEN HOUSE:** Monday, October 19, 2015

We will be having an Open House for students in grades K4 through 5th grade. Art, science, school work etc... will be displayed, etc... plan to attend anytime from 6:45 to 8:00pm.
