### Statement of Faith

Here is one of the ten Articles of Faith as stated in our church constitution:

**Article 2.** We believe that God has spoken in the Scriptures, both Old and New Testaments, through the words of human authors. As the verbally inspired Word of God, the Bible is without error in the original writings, the complete revelation of His will for salvation, and the ultimate authority by which every realm of human knowledge and endeavor should be judged. Therefore, it is to be believed in all that it teaches, obeyed in all that it requires, and trusted in all that it promises.

#### **Army Chaplain Faces Court Martial for his Christian Faith**

An Army chaplain at Fort Bragg in North Carolina could face a possible court martial and even military prison because of his views on marriage. After being asked to conduct a marriage retreat that included same-sex couples, the chaplain simply explained that his religious beliefs would not allow him to do so, according to his attorneys. According to Todd Starnes, an Army investigator under the command of Major General Kurt Sonntag recommended that Chaplain Scott Squires be found guilty of "dereliction of duty" for taking three business days to reschedule the "Strong Bonds" marriage retreat after Squires said he could not conduct it...The investigator's findings and recommendations clearly violate the 2013 National Defense Authorization Act, which states, "no member of the Armed Forces may require a chaplain to perform any rite, ritual or ceremony that is contrary to the conscience, moral principles or religious beliefs of the chaplain."
