He regenerates sinners, and in Him they are baptized into union with Christ and adopted as heirs in the family of God. He also indwells, illuminates, guides, equips and empowers believers for Christ-like living and service.

## Pray for our Persecuted

### Increased Security in China Could Hinder Work in North Korea

North Korea, January 30, 2020

A tightening security situation in China is making ministry to North Koreans there increasingly difficult. New regulations in China are putting pressure on both Chinese and North Korean churches inside China. A Chinese Korean pastor who worked with North Koreans was killed several years ago, and another Chinese citizen who disciplined North Koreans was kidnapped and is still being held in North Korea. A number of other Christians serving North Koreans in China are still working carefully to share God's love. Pray that God will protect them and their families, and that He will comfort and lift up all who suffer in His name.

Religious persecution has escalated along with government monitoring of every kind of activity since the outbreak of coronavirus. It has become increasingly difficult to survive not only for the Christians but for all the people there. Please pray!
