Pastor's Message

Some thoughts from Pastor Kruse

As we end July and look around us, we can find things to pray for, cooler weather, additional rain, our health, family and many other things. Whenever we get the urge to complain, find fault with something, like the weather, we need to turn that complaint into a prayer seeking God's blessing and care. Then add some thanksgiving for the many blessings we have, our health, daily life, family and especially our Savior Jesus Christ, who forgives us of all our complaints and fault finding. You will be surprised how much happier you will be and enjoyable to live with.

We are studying the book of Revelations, and there Jesus gives us a broad picture of what is and will be till judgement day. After he paints this picture, we tend to get discouraged as we consider the evil yet to come chapter 6. God then gives us a picture of heaven chapter 7 showing us that God is in control. We need to keep our eye on the big picture, not just the dismal we may be experiencing today. The result is our faith is renewed and we are encouraged and we are ready to do battle with Satan and his allies. God then goes on and paints another picture of what is and is to come, after which He again pauses so we can see He is in control the end is in God's hands, and we are safe with God.

The ups and downs of the weather, of our moods, and life are similar we need to see God's hand in it all. St. Paul has had several Pastor Shepherds over the years and with them there have been ups and downs, but remember God is in control. Just when we were getting to wonder, when He would send us another Shepherd He sends us Pastor Sutton.

Now we must lift up our eyes and see the blessings we have from the Lord. Let us renew our faith strengthen and encourage one another to rise up and with Pastor Sutton together get busy and do the work of making disciples of all nations here in Granite Falls.

Blessings,

Pastor Loren Kruse
