1. League entry fee of \$125.00 is due on the third week for each season. Make checks payable to: East Point Assembly of God. You will be responsible to pay a \$25.00 charge on all returned checks. If the fee is not paid in full before your game on the fourth week, your team will forfeit all games until the fee is paid in full.

3. Roster forms must be turned in to League Coordinator with all player's signatures on the first night of the season. If the roster is not turned in before your game on the second week, your team will forfeit games until the roster is turned in. Players may be added or removed at any time during the season. Coordinator will have forms each night for your reference. **NO PLAYERS MAY BE ON MORE THAN ONE ROSTER IN THE LEAGUE!**

If a team has less than 4 players at game time, they may pick-up players from the same division (maximum 2 pick-ups) in order to begin with four players. If the team has at least four players, no pick-ups are allowed! When playing with six players or less, one must be female. When playing with 7 or more (maximum of 9), two must be female. 17. A ten foot spiking line is marked on each side of the net. Only players on the front line may spike the ball in the ten foot area. All other players may spike from behind the line. Jumping from behind the line, or if your foot is in contact with the line, is allowed. Players may not just rotate in and out of the front line. You must go through the entire rotation before returning to the front line. Free substitution is allowed at all times if you have extra players. Don't try to abuse this rule --All judgments by the court refs shall be final, unless there is a rule interpretation--then the League Coordinator's decision shall be final.
