Sundays in May

May 5th - "50 Days to Pentecost" Series "The Holy Spirit Helps You Get Your Life Together"

One of the workings of the Holy Spirit is that He helps you in your personal life. When your life is unraveling or falling apart, the Holy Spirit comes to put your life back together. In this message we will look at King David's life. Because of wrong choices his life was spiraling out of control; however, we see the intervention of the Holy Spirit in helping him get his life together.

May 12th - "50 Days to Pentecost" Series "The Spirit Filled Mother" Rev. Tina Richardson

The Word of God provides us with examples of godly mothers - Women led by the Lord to protect and teach their children: Jochabed, Hannah, Elizabeth and Mary. The theme for Mother's Day is "The Spirit Filled Mother." Join us as Pastor Tina delivers an anointed message to encourage and empower every mother.

May 19th - "50 Days to Pentecost" Series "Fresh Wind - Fresh Fire"

On the Day of Pentecost, God poured out His precious Holy Spirit on the church. As the Spirit was poured out there was a sound of a mighty rushing wind that filled the Upper Room and tongues of fire appeared upon their heads as the believers were filled with the Holy Spirit. Wind and fire are symbols of the Holy Spirit. The wind brings refreshing and power and the fire brings cleansing. As we seek God, He has a fresh wind of His Spirit for every believer to empower and fresh fire to cleanse and purify. Let us believe God for an outpouring of His Spirit as we celebrate the Day of Pentecost.

May 26th - "How to Get Right"

In life there are times you are where you thought you would never be. Maybe you never dreamed you would be laid off, but you are. Or, you never dreamed you would be starting over at this season of your life, but you are. In this message Pastor encourages you with "How to Get Right." Whatever place you find yourself in life, sometimes God will take you left on your journey to prepare you for going "right."

From Our Pastors...

“Greater Things”

***Jesus said, Verily, verily, I say unto you,
He that believeth on me the works that I do
shall he do also;***

***And greater works than these shall he do;
because I go unto my Father.***

***And whatsoever ye shall ask in my name,
that will I do, that the Father may be glori-
fied in the Son.***

***If ye shall ask any thing in my name, I will
do it.”***

- John 14:12-14

Throughout the Bible there are countless stories of ordinary men and women used by God to bring about miraculous change. One of the unintended consequences when we read these stories is we begin to think, “I could never do that.” But God uses people who display ordinary gifts and talents, and He blesses them in extraordinary ways.

Jesus told the disciples in John 14 they would do greater works than He did because He went to His father. As we know, Jesus had to go so He could send the Counselor, the Holy Spirit. In order for us to do “greater things” we must give room to the Holy Spirit.

In Luke 5:37-38 Jesus said, “and no one puts new wine into old wineskins; or else the new wine will burst the wineskins, and be spilled, and the wineskins will be ruined. But new wine must be put into new wineskins, and both are preserved.” Whenever you see new wine, it’s

time to get a new wineskin. Simply put whenever you see the Holy Spirit doing something new to reach people, follow His lead.

In order for each generation of the body of Christ to do “greater things”, we must give them room to grow and allow the new wineskin to develop. The last thing we want to do is put new wine into an old wineskin or attempt to do God’s work with old man made methods.

There’s a story about a high school relay team who faced the final race of their season against the best team in their division. As they were sizing up their competition one of the teammates said, “One guy on their team has legs up to my ears. We don’t have a prayer.”

As the race began, the first runner set an unusually fast pace. He ran faster than he had ever run. He had the lead on his opponent as he prepared to pass the baton. The second runner in the relay realized his teammate had set such a surprising pace and he determined he would retain the lead and set out on an extraordinary pace as well. As fate would have it, the third runner was totally shocked by what he was seeing and prepared himself to run as fast as he could. Meanwhile, the fourth, anchor runner, began to pray. “Let him trip. Let him drop the baton. I don’t want this kind of pressure on me.” When the final baton pass was handed off, he ran for his life and to everyone’s amazement that team won the race!

The passion of a relay runner is to hand as big a lead as he can to the next runner. He wants the next runner to have more momentum. This is what we are called to do. As believers filled with the Holy Spirit we want to pass on our faith

to the following generations. If we are going to see the next generation do greater things for the kingdom, then we have to give them the very best of our faith. We must be an example of believers moving and operating in the flow of the Holy Spirit; however, being careful not to saddle the next generation down with traditions and old wine skins from our experience.

We must say to the next generation, "I'm going to put this faith in your hands with such momentum, with such belief, you can take what we have received and take it even further, take it even higher, take it ever greater. . . because Jesus said you will do "greater things!"

As we continue the "50 Days to Pentecost", let us have a stronger desire to be filled with God's Spirit in order to do the "greater things" He has for us to do in accomplishing His plan and purpose. These "greater things" can be a reality as we see lives changed for eternity! Until then, let us continue. . .

Changing Lives For Eternity,

Pastor Terry & Tina Richardson

Iglesia Vida

Associate Pastor

Esta campaña de 50 días de pentecostés es crucial para nosotros, porque nos enfocamos en lo que es real y verdadero.

Es mi oración, que veamos la manifestación de la presencia de Dios en nuestros medios. Cuando el Espíritu Santo se manifiesta, las vidas son transformadas.

En esta campaña hemos descubierto que el Espíritu Santo no es algo, es alguien, Él es la tercera persona de Dios. Cuando usted ora y siente la presencia de Dios, usted esta sintiendo el poder y la unción del Espíritu Santo. El Espíritu Santo es el agente que viene para bendecirte, el cristiano no puede vivir la vida sin la presencia del Espíritu Santo en ellos. En realidad, no sé cómo podemos pasar un solo día sin sentir la presencia de Dios.

Katherine Kuhlman dijo "La presencia de Dios no es meramente una teoría, es un hecho" Y esto es una realidad que hemos visto en nuestra iglesia. Este domingo pasado vimos a Dios actuar a favor de su pueblo. Me gozo en escuchar los testimonios de vidas que están haciendo transformadas por el poder de Dios. ¡A Dios sea la gloria!

Una de los errores que cometemos nosotros los cristianos es que una vez que sentimos la llenura del Espíritu Santo, nos sentimos satisfechos y muchas veces no seguimos buscando la presencia de Dios. Es impórtate entender que necesitamos recibir la llenura del Espíritu Santo diariamente. La llenura de ayer no es la llenura del Espíritu Santo hoy.

Cuando el pueblo de Israel estaba en el desierto después de salir de Egipto Dios alimentaba a su pueblo con Mana del Cielo, era un pan que Dios les daba. Lo

Interesante es que los hijos de Israel podían comer de este pan de Dios, pero no podían guardarlo para otro día, porque se pudría

"Entonces Moisés les dijo:—Nadie debe guardar nada para el día siguiente". Éxodo 16:19

Dice la Biblia que algunos Israelitas desobedecieron a Dios y guardaron pan. Mira lo que dice:

"Hubo algunos que no le hicieron caso a Moisés y guardaron algo para el día siguiente, pero lo guardado se llenó de gusanos y comenzó a apestar. Entonces Moisés se enojó contra ellos. Todas las mañanas cada uno recogía la cantidad que necesitaba, porque se derretía en cuanto calentaba el sol". Éxodo 16:20-21

Es necesario entender este principio de la Biblia, las bendiciones de Dios del ayer, son eso, de ayer. Hoy necesitamos la bendición fresca de Dios. En la Biblia los discípulos recibieron la llenura del Espíritu Santo el día Pentecostés, pero ellos eran constantemente llenos.

"Pedro, lleno del Espíritu Santo, les respondió: — Gobernantes del pueblo y ancianos" Hechos 4:8

Después oraron otra vez y fueron llenos una vez más. Tenemos que ser constantemente llenos de la presencia del Espíritu Santo. Cada día, cada instante, en cada situación.

"Después de haber orado, tembló el lugar en que estaban reunidos; todos fueron llenos del Espíritu Santo, y proclamaban la palabra de Dios sin temor alguno". Hechos 4:31

Pidámosle a Dios que nos llene otra vez.

Marriage One of the most misunderstood relationships in our human condition. Most of us grew up with an expectation (or fear) that our marriage would be very much like that of our parents. After all, we are impacted by the culture in which we grew up. Fortunately, marriage was God's idea. And as the creator of the marriage relationship, His Word contains a carefully crafted blueprint of the plan for the ideal marriage. What an exciting concept !! This means it does not matter

what kind of family I grew up in or what kind of mistakes I have made, with God's plan and my obedience, I can have a healthy and successful marriage!

Rated M is specifically focused on the examination and application of God's Word for our marriages. Since God's Word is always applicable, whether you have been married 1 year, 10 years or 25 years, Rated M has something for you.

May 19th - "50 Days to Pentecost" "The Holy Spirit Helps You Witness"

The Holy Spirit not only draws us closer to God, but He also send us to the world with power. Jesus told the disciples in Acts 1 to return to Jerusalem until they were endued with power from on high. This power Jesus spoke of would enable them to have the boldness to be witnesses in their city, surrounding area, and to the utter most parts of the earth. What the 21st century world needs to see and experience is the power of God demonstrated in the lives of believers. As God sends out into the world, He gives us the power of His Spirit to boldly proclaim His message of love and forgiveness.

Ernie and Sandra celebrate 30 years of a Christ-centered marriage and ministry. Ernie is a graduate of the Assemblies of God Theological Seminary in Springfield, Missouri, and holds a Master of Arts degree in Theological Studies (2009). Sandra earned a Bachelor of Arts degree in Elementary and Bi-lingual Education from the University of Texas-Pan American (1984).
