All Saints Sunday

November 2, 2014

In early Christian tradition, saints' days began as a way to mark the anniversary of a martyr's death — his or her "birthday" as a saint. By the middle of the church's first millennium, there were so many martyrs (particularly due to the persecution of Diocletian) that it was hard to give them all their due. All Saints' Day was established as an opportunity to honor all the saints, known and unknown.

All Saints' Day has a rather different focus in the Reformed tradition. While we may give thanks for the lives of particular luminaries of ages past, the emphasis is on the ongoing sanctification of the *whole* people of God. Rather than putting saints on pedestals as holy people set apart in glory, we give glory to God for the ordinary, holy lives of the believers in this and every age. This is an appropriate time to give thanks to members of the community of faith who have died in the past year. We also pray that we may be counted among the company of the faithful in God's eternal realm.

All Saints' Day has been celebrated on November 1 since the year 835. Previously it had been connected with the Easter season as a feast of all martyrs. Join FCCG for the All Saints service at 9am on Sunday, November 2nd.

MISSION DAY

Sunday, Nov 16th at 10:15am

Join us to assemble hygiene kits ("Holidays for the Homeless") and clean up the Activities Building—during the Sunday School hour.

A NOTE from Allison

This year's Fall Festival was a wonderful fellowship event. After all the hard work of our youth and sponsors, it was exciting to see so many church members join us for food and fun! It is impossible to count how many people came to the Festival and even more impossible to count all the different ways the church supported it. Thank you for your continued support. As Pastor Dan always says, it is impossible to name everyone who helped make this a success. I do want to single out the Follower's Sunday School class for providing the food. Each year, they donate all of their proceeds back to the youth program. I am still waiting on the final count from our bookkeeper, but I can safely say that we raised around \$1000 (after expenses) for our 4-12th grade youth. This money will be used by our 4-5th graders for periodic ice cream outings as well as their annual Oklahoma trip. Our 6-12th grade youth will use funds raised to help pay for mission trip. These funds also allow me to half the cost of things throughout the year with parents.

A few notes from our congregation regarding the Festival:

*"Dear Followers, Thank you so much for your help on Sunday at the Fall Fest. The food was great and everyone seemed to enjoy the time. Thanks again for participating- not sure how much we made, hopefully it will help the youth. Thanks again. **Brenda Cooper**"*

*"Once again, I'm impressed with our youth. They really pulled together and did a great job last night. They made lots of little kids VERY happy!" – **Dana Womack***
