NOW IS THE TIME...

Your partnership is vital. September 1 is our budget completion deadline. Fifteen commitments at the \$100 level and 30 commitments at the \$50 level are needed to reach our budget goal. Will you partner with us?

Now is the Time for Partnership

Since last fall, we have had the joy of sharing our ministry in churches, reconnecting with friends, and building new relationships. Many churches and individuals have joined our financial support team. **If you are among them, THANK YOU!**

But our financial goal is not complete. **We must return to our ministry responsibilities by September 1.**

Fifteen commitments at the \$100 level and 30 commitments at the \$50 level are needed to reach our budget goal. Your partnership (at any level) is vital.

If you have not already done so, please use the enclosed commitment form to indicate your response. Or **you may affirm your commitment online at s1.ag.org/conn.**

Northwest Ministry Network Leaders Affirm Value of Partnership

Please read the enclosed endorsement letters from Les Welk, NWMN Superintendent (team leader), Cal Carpenter, NWMN Executive Presbyterian (regional leader), and Jerry Beebe, former NWMN Executive Presbyterian.

They share how their partnership with us has benefited their churches and the ministers and missionaries they serve.

Now is the Time: Please Pray

In July, missionaries of the Asia Pacific Region--who live and work in countries of the Pacific Rim and the Pacific Islands--will gather in Chiang Mai, Thailand for vision casting and encouragement. We will be attending to present a workshop and providing counseling for

individuals, couples, and families. **Your prayers for us are vital.** Thank you to Neighborhood Church, Bellevue and Bethany Christian Assembly, Everett for funding our travel.
