Volunteer Registration and Screening Process

Registration of all volunteers is a requirement of the organization's Special Olympics General Rules and a prerequisite for volunteer participation coverage through our insurance company. For purposes of clarification volunteers in Special Olympics fall in to two categories: Class A (volunteers who have regular close physical contact with athletes) or Class B (volunteers who have limited contact with athletes).

Screening is mandatory for Class A volunteers only, whose duties require them to be in direct personal contact and/or alone with athletes, for example:

- Coach
- Assistant coach
- Chaperone
- Those with fiscal or certain administrative responsibilities
- Unified Partner
- Private vehicle drivers
- A position of trust

Both a criminal history background check through the Washington State Patrol and a national vendor, which includes a sex offender registry, will be conducted for all Class A volunteers. The screening process is conducted through the Special Olympics Washington's State Office. Once clearance is approved, it is valid only for a two-year period of time.

All volunteers must complete the standard *Volunteer Registration Form*, which includes:

Part 1 – Contact information, date of birth and other pertinent information.

Part 2 – Two references: personal and professional. Both references must be adults. Selection of the event(s) for intended participation also included in this section.

Part 3 – This section is only for volunteers participating in Summer Games at Fort Lewis/McChord AFB or other military installations. Driver's license and vehicle information is required for access to the military bases.

Part 4 – Age Requirements for Volunteering. Teens 14-17, as well as Unified Partners age 8 – 17, will need the signature of a parent/guardian as well as their own.

Part 5 – This section must be signed by all volunteers. The General Volunteer/Applicant Release form is a waiver giving permission to use the volunteer's name and likeness to promote and publicize the purposes of Special Olympics Washington.

Part 6 – The Applicant Disclosure Form must be signed by all volunteers attesting to the disclosure statement.

All volunteers, whether Class A or Class B, when signing in to work at a particular venue site or event will be asked to enter their name and information on a *Disclosure Form* and provide a signature attesting to the disclosure statement. This is to ensure current data and proof of actual participation. Volunteers may also be asked to present valid proof of vehicle insurance and photo identification. Participation in a specific annual activity (i.e., fund raisers, Summer Games, Winter Games) requires completion of a new *Volunteer Registration Form* each year. No individual or group volunteering in support of SOWA is exempt from these requirements.

No volunteer may be actively involved in the training and competition of Special Olympics' athletes without having been screened through Washington State Patrol and a national database. If you have any questions regarding the clearance process, please contact the Special Olympics Washington State Office at 1-800-752-7559.
