Greetings Little Angels Families,

This week I began talking to the children about Thanksgiving during music time. We discussed all the people and items in our life for which we are thankful. I enjoyed hearing, and of course singing about the things in their lives that they are most grateful. One of my thanksgivings this November is that I have opportunity to watch your children as they learn, explore, and grow. It is a joy that the teachers and I are truly thankful to take part in. This month we are creating a Little Angels "Tree of Thanksgivings". I hope you have had a chance to locate the leaf and directions that were sent home this week. Please complete your creation and return it to school. We will be adorning our tree with your leaves beginning Monday. Be on the lookout for our school-wide creation in the entry way.

Happy Thanksgiving and God's blessings to your family!

Kara Joy Baker, Director

FUNDRAISER UPDATE: Thank you to all of you who attended and/or donated to our Annual Fall Fundraiser last month. Thanks to the money raised, we have been looking into acquiring new materials for our classrooms as well as a mobile SMARTBoard for complimenting and enriching our current curriculum in our 3's & 4's classrooms. Our 3's & 4's teachers have also had an introductory lesson into the world of SMARTBoard use with Mr. George at Hough.

**4 WAYS TO GIVE IN
NOVEMBER**

*Donating your unwanted Halloween candy for the soup kitchen, food pantry, and the troops

*Change collection for Bishop Joseph & S. Sudan due by Thursday, 11/13.

*Food Drive, please send 1-2 canned goods to school with your children on the day of their Feast, 11/24 or 11/25.

*Diapers & Wipes collection for Barrington Giving Day

PRESCHOOL SUNDAY AT ST. MICHAEL'S: All preschool families are invited to the 9:00 am family service on Sunday, 11/23. The children will have an opportunity to join together with children from the parish to sing songs they have learned during music time with Mrs. Baker. They also have the option to participate in Sunday School led by Josh Baudin, a preschool parent, and other adult leaders. This is a great opportunity for the preschool and church family to come together as one. Hope to see you there!
