

SowingRoots has partnered with Orphan Outreach to support and bless the children of the San Jose Orphanage in La Paz, Honduras this Christmas. Our hope is that you will help bring some Christmas cheer in the form of new soccer cleats, some special treats and Christmas dinner through a \$25 dollar gift to SowingRoots. Please note the child that you would like to bless on the donation page. These children are precious and a joy – our goal is to richly bless them this Christmas season so they may know that they are not alone and that they are loved!

If you or your family would like to send one of the children a letter, please have it delivered to SowingRoots by Nov. 27th, 2015. We are asking for monetary donations vs. physical items as our hope as an organization is to help the local community to which these children live and purchase the items locally.
