

# DISASTER RESPONSE: YOUR CHURCH CAN HELP

## Typhoon Hagupit hits Philippines

Dear Pastor,

Your church can help now. Over a year after Typhoon Haiyan, survivors are again recovering due to damage caused by Typhoon Hagupit.

Their hope for recovery is being threatened by this typhoon. World Vision is distributing relief supplies to families in emergency shelters and we are working hard to protect children who are most vulnerable during disasters like this one.

### Your church can give to help long and short-term recovery.

Your church's donation can provide relief items such as food, hygiene kits, emergency shelter and more.

Please pray for families in the Philippines and consider giving.

Richard Stearns  
President, World Vision, U.S.

I will take refuge in the shadow of your wings  
until the disaster has passed. —Psalm 57:1 (NIV)

### How your church can help:

- **Pray** for the safety of children and families affected by the storm.
- **Give** a one-time gift to help provide emergency relief supplies including food, hygiene kits, and temporary shelter should the need arise.
