Great things are happening at Central! We have been blessed to have Matt Morris preaching the past several weeks. He has brought fresh insight to the Psalms and it's been exciting to feel the sense of unity and confidence that God is at work and that He is in full control. We are looking forward to seeing God at work. If you haven't been attending Central lately, we invite you to join us. The body of Christ functions best when all of the parts are present and active. If you can't seem to make it, you can always go to our Facebook page and watch us live. You've been gifted for a purpose and that is to edify (build up) others and to give God the glory He deserves.

This month we will have our annual Valentine Banquet on Saturday, Feb 10. It's going to be a great night! Tickets are available at the welcome desk. I encourage you to come for a great night of food and entertainment and to help support our youth.

I'm very thankful for you and I'm praying that you will have a great year of drawing closer to the Lord, to His church, and to your family. Only three things matter in life – our Faith, our Friends, and our Family.

Blessings,

MEDIA CENTER

Have you read all the LEFT BEHIND series? Are you ready for the final book? We have it here in the Media Center, *KINGDOM COME, THE FINAL VICTORY*.

CENTRAL STUDENT MINISTRIES JAN/FEB

- If you like to hang out with friends, eating some food, watching football, and just having fun then you need to join us on February 4th for our youth super bowl party. The party will officially begin at 6:00 pm, but you can start coming around 5:45 pm. This will be happening in the chapel here at the church. We also will be having a cooking contest to see who can make the best finger food or the best dessert, a prize will be rewarded to the winner. Regardless of whether you enter the contest or not, please bring a finger food or dessert to share with everybody. We hope to see you there!

- One of our favorite weekends is just over a month away and you need to know about it and so does your student! On March 2nd-4th we will be doing our annual youth Elevation weekend.

This is a weekend that is filled with students connecting with God, each other, and connecting with college leaders. This is a weekend filled with fun, games, and creating memories that will last forever. This is a weekend where the lives of students have been changed forever, because of the way they experience and connect with God. During this weekend God moves in mighty ways in the lives of everyone. More importantly, this is a weekend that we want your student to be a part of! Therefore, if you want more information you can contact our youth pastor Wesley Curtis.
