Dr. John Shane, Director of New Hope Outreach Ministries shares...

"I see a people really beginning to hunger and thirst for a move of the Spirit of God.

Programs are not working but

the preaching of the Word is what people want. We have seen full altars at almost all our services. People want truth and the truth brings freedom. The feel good messages may last for a moment but the truth brings a lasting freedom. Evelyn is home and making progress in her healing. She is walking much better. She is on oxygen about 1/4 of the time now. We have been getting positive reports from all the doctors she visits. Thank you for your prayers and faithful financial support."

Praise God we met our goal! We are still collecting faith promises. They are on the back on the table. We are currently at \$1500 pledged.

MAIN FOCUS THIS WEEK:

God helps us overcome our fears.

VERSE:

"Even when I walk through the darkest valley, I will not be afraid, for you are close beside me." (Psalm 23:4a)

Many of our children are in testing this month, please pray for them as they remember what they have been taught throughout the year.
