Missions Spotlight

"Wow! We are growing each day! Today we are at 21 women. We are so blest. It amazes me everyday to see the growth of these women. They are doing the work and the transformation is beautiful. They are being challenged and learning that in the challenge their faith is growing and they learning to persevere and remain in the Lord. So am I. God is so faithful and providing for us in every way. Thank you for seeing the beauty and partnering with us to make a difference. We are stepping out in faith and trying new things and God is going ahead of us. I am so grateful for you and your connection. Keep us in prayer and thank you again. May the Lord bless you!"
