Update on the Military
 Biblestick Ministry...

Missions Spotlight

They have now shipped over 692,000 Military Biblesticks to over 1,685 chaplains! Of those more than 15,000 have gone to 25 Veteran's Administration chaplains around the country to reach those in VA hospitals. May, 2016 was our single biggest month for requests for MBK-more than 27,500 were requested. Including requests from the 101st Airborne Division Headquarters, a Brigade Combat Team, and an Aviation Task Force in Iraq--they requested a combined total of 10,000 MBKs. We are excited to have the door stay open. Following is a testimony received from a VA patient: *"Thank you! I am in an inpatient program and was becoming depressed. I prayed and I knew I needed to feel closer to my God. I haven't been able to go to any services and this Biblestick has helped fill a void in my heart."*
