Missions Spotlight

The following is a note from the Lashways whom we support through our church. They state that August is the a month of numerous General Councils in Africa. They are very impressed with the maturity, vision, and strength of the great churches in Tanzania and Kenya. An entire day in Tanzania was set aside for prayer and fasting. That morning just as the speaker was finishing, the power went out. The huge auditorium was pitch black except for the few cellphones. The 4000+ pastor began to pray for Tanzania and the lost. They continued for many hours in prayer even after the lights came back on. The event challenged the Lashways to increase their tenacity and endurance in prayer.

Later that same day General Superintendent Barnabas Mtobambali asked the church to pray for America. He explained about he upcoming presidential election. He talked about what a great debt Tanzania owes to America for bring the gospel to them. He shared his concerns that a new ideology seems to gaining ground in the USA, and ideology that does not include God. He said the Tanzania wants progress, but not progress without God. American has prayed for many years for Africa, but now Africa must pray for America. He asked the Americans in the room to stand and for pastors to gather around to pray, not only for the upcoming Presidential election but for America to return to God.
