Missions Spotlight

The Campbells,
Jeremiah & Marjorie

Our update comes from the Campbells in Bolivia. They have recently been involved with the Chi Alpha Bolivia ministry. This month they have officially stepped out of this ministry which will be totally run 100% by Bolivian leaders. They will become the National Director of Global University for Bolivia. They are excited for this new opportunity to realize that their goal of reaching the growing middle class of Bolivia. Through Chi Alpha, they have been able to evangelize the disciple many college students, but many pastors feel they are lacking the tools necessary to shepherd these young professionals. Many of the Bolivian pastors do not have any formal higher education in theology, Bible, or ministry. Their goal is to open study centers in all of the major cities of Bolivia for anyone, interested in full-time ministry, to have access to higher theological/ministerial education.

As our Kid's Life children head back to school, please remember them in prayer. Pray also for the teachers as they engage with our kids that the year will start off well.
