Missions Spotlight

“There have been many adjustments for David and I as we have transitioned to Indonesia. We live in Jakarta and share this metropolitan area with 29 million people. It is one of the largest cities in the world. Traffic, noise, air pollution, a language we find confusing and the fact that Indonesia is the largest Muslim country in our world. In every neighborhood you see the Mosque and every day you hear the call to prayer over loudspeakers. Five times a day beginning at 4:30 am and ending at 7 p.m. the people are reminded to pray. We are able to adjust to traffic, noise, air pollution but what we cannot adjust to is that so many do not know there is a Savior who loves them and gave his life for them. **REMEMBER TO PRAY FOR INDONESIA and Missionaries David & Paula Stanislaus**

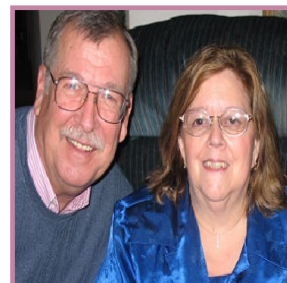

Tina Richardson
Next Sunday, September 25th

We are excited to have Tina come and share what God has given to her for our church and our community. Plan to attend and bring a friend.
