**Missions Spotlight**

Farrah French, Campus Pastor at Whatcom CC in Bellingham shares the following this week...

I want to thank you all for your continued prayers and support. I seriously would not be able to do what I do without all of you.

One of my biggest prayer requests this summer was that I would raise the funds I needed to be on campus when school starts (September 20th). I was also hoping to attend our student leadership training conference (Discipleship conference) which was this last week. I really wanted to attend this conference because it would have given me a chance to get to know our student leaders better and begin building trust with them. I did not

think I was going to go to all of this conference because I did not have all my funds raised yet. However on Monday afternoon, the Lord provided the exact funds I needed to be on campus and at this conference! The picture is from our time getting to know and ministering to our student leaders.

In order to continue building my finances long term and have a more stable work budget (for conferences, events, and blessing students), I still need to raise between \$100 - \$300/month more over the next couple months. The Lord has worked in such radical ways already to make this all come together I know He will provide exactly what I need.

Thank you again YPCC. I am so excited to have you on my team, praying for each of you!
