

Multiplying communities with a passion for Christ and compassion for people.

Prayer appreciated this week:

- Please pray for all who attend worship, followed by COEN's tenth anniversary celebration this coming Sunday, October 1. Pray that we will see God's ten years of blessings, give thanks, and grow in faith. Also, pray for those who don't yet know Jesus to accept God's love gift for themselves.
- Please pray for Junichi (Tuesday Bible study), who broke his ribs in a recent fall. Pray for healing, continued desire to study the Bible and to know Jesus as his Savior and Lord.
- Please pray for God's leading for new classes being planned (Melanie's Nov. Christmas Bible class, and Hiromi's hymn class), and for new students who have joined existing classes. Pray that they will see the light of Christ.
- Please pray for us (Mark and Athlee) as we take 2 weeks of vacation from Oct. 2-16, followed by a month of home assignment for Mark (Oct. 20-Nov. 20. I will return to Japan to teach.) Pray for good connections, travel-wise and with people we meet; and for the month we are apart.

Thanks for praying!
Athlee and Mark Bowman
