RESIDENT OF THE MONTH

MERCEDES TILLER

Mercedes was born to Hubert and Mildred Johnson on a farm near Hinkley, Minnesota. Her family moved to Oakridge, Oregon in 1955. Mercedes met Dale Tiller while living in Oakridge, and the two married in Reno, Nevada. They had 51 happy years together. During that time, they raised five children (two boys and three girls). Valerie and Cory live in Hamilton; Cindy lives in Helena; Tammie in California; and the oldest, Bob, lives in Washington State. Mercedes has eight grandchildren, ten great-grandchildren and another great-grandchild expected in August.

Her husband, Dale, was employed as a log-truck driver for 25 years in Oregon. When he retired, he and Mercedes moved to Florence, Montana and bought a small trailer park. After some time there, they moved on to Hamilton, Montana for the next ten years. Then it was time to venture out and travel, so they purchased a motorhome and, for the next five years, embarked upon a journey to experience the West Coast. Along the way they met a lot of interesting people and visited many beautiful places. Mercedes collected salt-and-pepper shakers from the various places they visited. At last count there were 400 sets...the reason being that there was always room for "just one more"! They enjoyed every single day on the road!

Mercedes says that she is very happy to be living at The Manor. She has so many friends and looks forward to something new each and every day. She truly enjoys gazing out her apartment window at the wildlife and the Bitterroot Mountains. It's so nice to have such a lovely lady in the Sapphire Family and we're all so glad to have her here with us!

**Fireworks**

Each July I go to the fireworks stand and I load up with pyrotechnics in hand!

I exploded a Green Dragon Sparking Tweet right at prissy Patty's perfect little feet!

A red Back-Flash Race Car I lit with a torch and raced it across old man Williams' front porch!

I left my sister, Maggie, with shaky knees after launching at her Lightning Strike Black Bees!

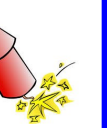

I scared the be-jeebers out of the milkman with fifty Bam-Bam Blasters in the trash can!

I booby-trapped the front lawn of Mrs. Rhodes with Captain Colossal Lethal Landmine Loads!

I surprised some boys on their scatey-scooters by barraging them with Zinging Star Shooters!

In the garden I lit a Gorilla Bomb and I discovered a short fuse... on my mom!
