The Word in Review

“The people were astonished...” (Mt 7:28-29)

Authority Jesus taught with authority. He needed no other references but God. Being the Son of God, Jesus was the authority. The Jewish leaders in Jesus day spoke with the authority of Moses and others. But the truth that Jesus spoke needed no authority because it was from God. Jesus truths were profound then and are just as profound today. Amen.-R. L. Lennon
