INSIGHTS

Do You Believe?

“...no one should perish...” (2 Pe 3:9)

Why did Jesus teach truths the way He did? So that everyone would be saved. When we read the teachings of Jesus, we are amazed. My, what one man can do! He calmed the sea. He gave sight to the blind. He even died and rose again. No one has ever done that-ever. But why did Jesus teach that way? Jesus taught the way He did for our salvation. He came to seek and to save the lost. God sent His only begotten Son. They that believe in Him, will be saved. They will receive eternal life. Do you believe?-Robert Lennon
