

# Promise Packs

Help children  
realize their  
promise!

For just \$22 you can provide a child a backpack filled with school supplies, basic hygiene items, and an insect-repelling blanket!

## Children around the world need our support

Millions of children are unable to attend school because their families lack the ability to provide basic needs due to poverty. This leaves children the most vulnerable and many are at risk with their health and accessibility to an education.

Children are more vulnerable to exploitation and insect-borne disease which can impact their long term health, happiness and promise for their future.

## You can make a difference!

Providing Promise Packs is a tangible way you can encourage children who need hope and a message that someone believes in them.

## Simple items give children promise for their future

School supplies, basic hygiene items, and an insect-repellent blanket will help children attend school and help keep them safe from disease.

## How are Promise Packs assembled?

Volunteers in corporations, churches and community organizations assemble the supplies into backpacks. Your donation will help cover product costs, shipping to World Vision warehouses and from there to children around the world.

## Yes! I want to help provide Promise Packs to children!
