No Time to Pray

I got up early one morning and rushed right into the day.
I had so much to accomplish that I didn't have time to pray.

Problems just tumbled upon me and heavier came each task.
"Why doesn't God help me?" I wondered. He answered, "You didn't ask."

But the day toiled on, grey and bleak.
I wondered why God didn't show me, He said, "But you didn't seek."

I tried to come into God's presence; I used all my keys at the lock.
God gently and lovingly said, "My child, you didn't knock."

I woke up early this morning and paused before entering the day.
I had so much to accomplish that I had to take time to pray. —Read
