Will God Excuse Me?

There was a young man who was a victim of polio in South Bend, IN. This man lived in iron lung and was allowed to spend only four hours per week out of this machine that was essential to his life. Every Sunday morning he was taken out of the lung so he might attend Bible study and worship. It was his decision to spend half of his free time from the lung attending to spiritual matters. Think of this young man the next time you consider missing an assembly, and ask yourself: "Will God Excuse Me?"

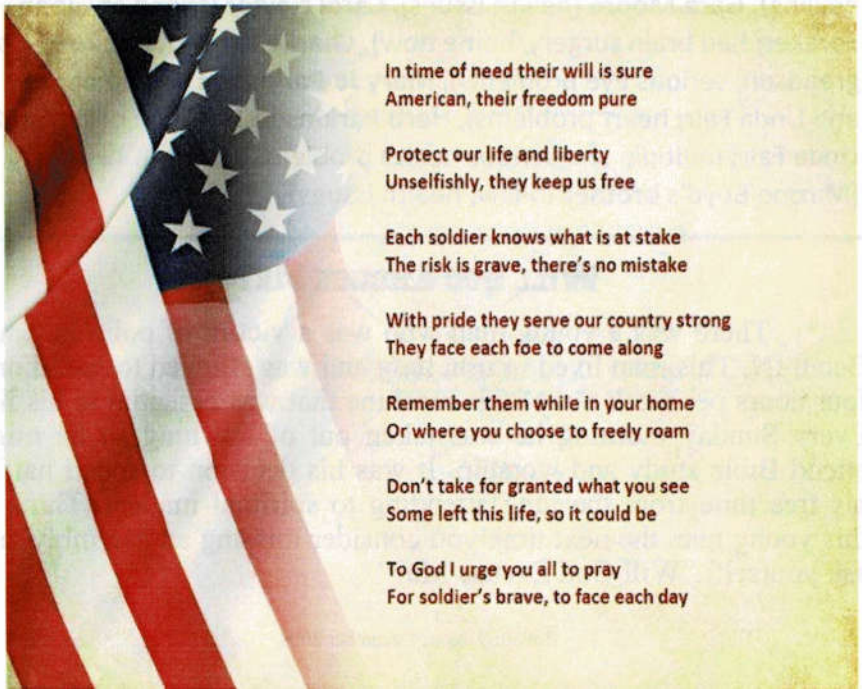
POTLUCK

After morning worship on December 1st


Do you have unused leftover yarn you would like to put to good use? We have received a request from Jean Grenier the preacher in Quebec. Our congregation is supporting church-addition construction led by Jean. His wife Anne Grenier does knitting and crocheting for the Charity Program of the church. Anne knits or crochets blankets, hats, scarves, hoods, shawls, and slippers for people with low income or in need. Please pass-along your yarn donations to Alan Wells.
