

## My Purpose

The LORD will fulfill his purpose for me; your love, O LORD, endures forever.  
Do not abandon the works of your hands. Psalm 138:8

### ***In the Name of Jesus and with the help of the Holy Spirit:***

My purpose and destiny in God can not be stopped. I take responsibility for my life and accomplishing all that God has for me to do. I do not leave it in the hands of anyone else. I am fearfully and wonderfully made for such a time as this. In everything I do, I put God first, and He WILL direct me and crown my efforts with success. I can do all things through Christ who strengthens me.

### ***In the Name of Jesus and with the help of the Holy Spirit:***

God has gifted me with all the abilities that I need to accomplish my goals and my purpose in life.

I have the mind of Christ and therefore I am brilliant. I can do all things through Christ.

I accomplish my goals. I will succeed. I have witty inventions and great ideas.

God gives me the action plan to accomplish and develop my ideas and reach my goals.

God gives me the power to get wealth to succeed in my purpose.

God gives me the right response in every situation.

I have the character of Christ to walk in integrity, in all that I do, regardless of how others choose to act or react.

God is for me and wants me to be successful in what he has called me to accomplish.

### ***In the Name of Jesus and with the help of the Holy Spirit:***

I bind and break conscious or unconscious connections that hinder me in my purpose.

I bind and break any spirit that would keep me passive, inactive, and non-productive.

I bind Jealousy and envy in my life that would allow me to blame my problems on others.

I bind and break codependency, self pity, and denial that would entrap me and keep me from taking responsibility for my life.

I bind and break all seducing spirits that would lure me, or bind me, to unsupportive people, organizations, and activities.

I break all ungodly soul ties to people, institutions, animals, places, objects, and spirits.

I bind condemnation that would tell me that I am a failure and that I can not change.

Through Christ, I do set goals, I can succeed, I will not quit or I will not give up, I will develop a plan.

## My Purpose

### ***In the Name of Jesus and with the help of the Holy Spirit:***

I bind ungodly familiar spirits and negative thought patterns in my life that would cause me to have wrong thinking about relationships, education, finances, and God's Word.

I am healthy. I love to exercise, I love vegetables, and I have good nutrition.

I love to learn new things. I love solving problems. I love math. I love to read, especially God's Word. I memorize God's Word easily. I hear God's voice.

Every challenge is an opportunity to creatively solve problems and develop new ideas.

I bind fear, worry and anxiety that would cause me to spiral down into wrong thinking, and cause me to have vain imaginations, procrastinate or waste my time.

I bind all lying spirits that would try to overwhelm me in my daily tasks.

The Holy Spirit gives me the time, creativity, and resources to get my work done.

I accomplish big goals through small steps. My goals are manageable and finished on time.

I see clearly because the Holy Spirit reveals the secrets to solve the problems that I face.

I bind fear that would keep me from over-reacting to correction, mistakes, and delays.

I keep a Godly prospective so that I can rise above any difficult circumstance.

### ***In the Name of Jesus and with the help of the Holy Spirit:***

God's plan is perfect and He gives me hope for each day and for the future.

I bind and break the dark thoughts and lies that would keep me powerless.

I have the mind of Christ so I can stay focused on my goals. I have limitless possibilities.

Elohim, the Creator, gives me His creativity to achieve greatness.

I have joy, peace, and energy as I focus and accomplish my goals.

I am continually learning and moving forward, as I hear and obey the voice of God.

Each task brings success and I find fulfillment in doing what God has created me to do.

Walking in my purpose brings me great joy because I am obedient to God's call.

I have victory through Jesus at every turn as I achieve my goals.

I have integrity, vision, and focus. Through Christ, I am an overcomer.

I will not pick up the thoughts of the enemy as my thoughts.

I renounce, rebuke, and come out of agreement with the thoughts of the enemy.

I am continually renewed in my mind with purity, love, joy, peace, gentleness, kindness, self control, wisdom, and understanding.

God lights the path that He has set before me. I give God the glory for victory in my life.
