**Our MISSION:** To help people find and follow Jesus Christ

**Our VISION:** by CONNECTING people  
with GOD through WORSHIP,  
with the CHURCH through whole-life  
DISCIPLESHIP, &  
with the WORLD through MISSION.

First off, I want to tell you what a strong and awesome congregation you are! As I meet you and participate in committees and other gatherings, I sense Christian commitment and joy in serving. The Church of Jesus Christ is about coming alongside people and helping them gain strength, deepen faith, and become closer to our loving and caring God. Many people do not have a clear picture of God as a divine and living Presence in their daily lives. We must take responsibility to carry this message to them.

Do you have a neighbor who is lonely? Offer your friendship. Do you have a neighbor who is chronically ill? Offer to help. Do you have a neighbor who is angry and enjoys intimidating? Even here, offer yourself as a sounding board. I have had all these experiences. In the best scenario your lonely neighbor will accept your friendship, your neighbor who is chronically ill will accept your assistance, and your angry neighbor will accept your giving that person help to see things more positively. If you are not graced with acceptance, pray for that person that God in his mercy will help your neighbor in her/his need.

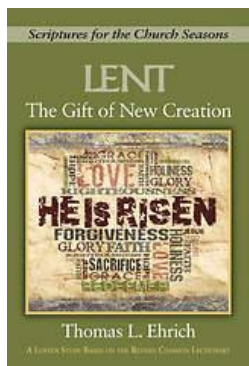

This is especially important at this time of the year because early this month Lent begins. Lent is forty

days before Easter excluding Sundays. Sundays are for celebrating the Resurrection of our Lord Jesus Christ. The rest of the Lenten season is devoted to deepening our prayer lives and studying Bibles and meditating on its words and their meaning. For us as Protestants, Lent is not for giving up something so much as it is for choosing something to help us focus the importance of Jesus in our lives.

Many people have no idea what to choose. I suggest simple things, such as not being critical of a family member for forty days, refraining from overeating, perhaps not over spending beyond a reasonable budget for yourself. You may see my suggestions as the same as giving up something for Lent. What I hope for us is that we lay aside some bad habits and bring into our lives something helpful and positive.

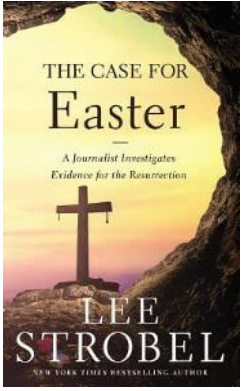

May this Lenten season be a reverent but joyful experience as we prepare for Easter.

God Bless You,  
Pastor Stacy Evans

I would like to start by thanking Tom James for his leadership as Ad Council Chair the last 2 years. I would also like to thank all the other chairs and committee members for their time and effort last year. Your work is greatly appreciated.

We had 23 members at our February 11<sup>th</sup> meeting. The following is an overview of the actions/reports that were taken/given during this meeting.

The **Fundraising** and **Building Usage Fee** policies are currently being revised and should be finished this year.

The **2019 Budget** was passed for a total amount of \$391,824. Copies of the budget and its breakdown are available in the church office.

Additional committee members were confirmed:

Finance – Mardi McCluer

Trustees – Mardi McCluer

Worship - Ann Wolfe

Adult Discipleship – Gayle McCreery

Currently we have no chair for Discipleship

**Starting times for church and Sunday school** were discussed with no resolution for change but will be brought up at another Council meeting. Any thoughts or opinions of the congregation will be appreciated.

Gayle McCreery, Adult Discipleship, reported we will be having a study class starting after Ash Wednesday and running through Holy Week meeting on Wednesdays at 6:30pm.

Jerry McCreery, Finance chair, reported we are in need of people to help perform our audit. If you are interested please contact Jerry.

Outreach chair, Jim Thompson provided the council handouts detailing some of our current missions and information about possible future missions. Also, our **Sunday Dinner** church organization is progressing well and we are currently planning on starting in May. Jim was beyond pleased with the congregation's generous food donations for the school's Backpack for Buddies.

Dave Wolfe, Trustees, reported that the **steeple** top is going to be taken off about 2 feet below the cross and some panels saved. The rest will be sold. The top portion can then be displayed. We are getting a new copier due to Ricoh's inability to be able to service the current copier and cost of the maintenance plan.

Rob Sayre, SPPRC, told us that we are one of two priority churches per the district office and we should be soon learning who our new pastor will be.

Worship, Jane Farmer and Carol Craig, let us know that the congregation will be receiving a devotion booklet for the Lenten season. The community Ash Wednesday service is going to be held here at ChristUMC. (was originally to be at Baltimore UMC) We will be having a cantata on Palm Sunday. With so many children at junior church, we will be needing additional help. You may let Jane or Carol know if you would like to help.

Jennifer Lodge, Pre-School, let us know enrollment for church member families and current students started Feb. 5<sup>th</sup> and open enrollment on Feb. 19<sup>th</sup>.

Youth Director, Greg Dolce, reported that 14 students were going on the Winter Retreat Feb. 15-17. The name of our youth group chosen by the students is BAY (Baltimore Area Youth). We have a social media under BAND that the youth may join. Greg is working with the Sunday school teachers on a new curriculum and is trying to get 2 more leaders for each class so that they may rotate.

Pastor Stacy said that we are an awesome church and he is "thrilled to be here". Pastor Stacy is planning on starting an early afternoon study "The New Creation" on Wednesdays starting Ash Wednesday. And after Easter, he is planning an evening study "The Case for Easter". More details will be following.

Dottie thanked everyone for their love, support and continued prayers for herself and Worth.

Prayers were offered for the youth retreat, the leadership team, Worth and Dottie, Dale Landis, HIS Home in Haiti and its leaders, the many laid off workers, Peggy Lawlis, and all other places in the world that are in crisis.

As you can tell, this was a longer than usual meeting and I would like to that everyone that attended for their dedication and leadership to our church.

Our next meeting is Monday, March 11<sup>th</sup> at 7:00pm in Fellowship Hall.

Yours in Christ,  
David Brookover  
Ad Council Chair

## Prayer Ministry

***Sing to God...who rides the ancient skies above, who thunders with mighty voice. ~Psalm 68:32-33***

I read recently that a neighboring state had a big thunderstorm which included sleet and hail! That would be quite a show! I have always liked a good thunderstorm. I can remember standing with my nose pressed against the window when I was a child. I enjoyed seeing the slashes of lightning and hearing the boom or low grumble of thunder that followed. Dad always said the angels were having a great time bowling. When I was a little older I wondered why the lightning and thunder didn't happen at the same time. Of course, they actually do, but sound doesn't travel as fast as light! I was delighted with that little bit of knowledge. I liked the way the world looked all clean and pristine after a storm.

Answered prayer is sometimes like a storm. We pray and pray and pray, but the answer doesn't come. Sometimes it takes so long for God to answer our prayers, we may start to wonder if the

answer will ever come. Perhaps we even worry that God hasn't heard us, or that He isn't going to answer. But He promises to hear AND answer our prayers. Just because the answer isn't immediate does not mean it is not on the

way. We need to exercise our faith. Just as the thunder follows the lightning, answers to our prayers follow our original petitions ... in time ... God's perfect time.

Keep praising & praying,  
Kristy Schooler

### A Special Message

Our prayer "chain" is kept very busy praying for those who have needed our intercessory prayers. You've probably noticed that our list of names is never small. Presently, when you ask us to pray for someone, we include that person on our list in the bulletin for four weeks and then take them off. If you've asked for prayer for a loved one or friend, and you know his/her need is longer term than that, please be sure to let me know so I can keep that person on the list. If you have given us a request and that person is now recovered or has new needs, please give us an update. We like to know how to pray specifically and we also love to hear good news! Drop me an email anytime ([krissschooler@yahoo.com](mailto:krissschooler@yahoo.com)), give me a call (740-407-5510), or put a note in my mailbox in the church office. I appreciate your help! Thanks!

***"Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver" ~Corinthians 9:7***

Soon the first day of Spring will be upon us. A time of new growth and life in the trees and flowers. Changes in the weather will bring us warmth after a long, cold winter. Help bring warmth into the hearts of families that are in need by providing them with the simple necessities of life...food and personal items.

Items needed for March are:

- ◆ Vegetable Soup
- ◆ Cereal
- ◆ Hamburger Helper
- ◆ Shampoo

## PRAYER WARRIORS

## We Need More Warriors

### HELP! Prayer Warrior Needed

Pastor Stacy will be serving communion personally the first Sunday of each month. We are firm believers in having the communion rail open for prayer and having someone there who will pray with/for you. Kristy Schooler can do that on one side of the church, but we need someone who would be willing to do the same for those seated on the other side of

the sanctuary. Do you have a heart for the people? Can you pray for/with them? If you think God may be calling you to do this each communion, or if you have questions about it, please give Kristy Schooler a call at 740-407-5510.

## Outreach & Missions

CarePortal brings the needs of hurting children and families in your community to your attention. Child welfare workers uncover the needs. CarePortal makes local churches aware, giving them a real-time opportunity to respond. Nationwide, 1,780 churches are involved. CarePortal helps churches equip themselves to be the church.

One of the basic premises of CarePortal is that everyone does not grow up the same. That poverty and family crises are like a “house of cards.” One little “wind” and things fall apart.

As of February, 2019, 50 teenagers (ages 14-18) are in Fairfield County Child Protective Services. Four are about to turn 18 soon and will be on their own. At 18, these kids are given

\$500 and released from Protective Services. An interesting note is that getting housing when you're 18 can be very difficult. As of February, 2019, 98% of all rentals in Fairfield County are occupied without mentioning rental costs.

Altogether, 125 children (newborns up to 18 years old) in Fairfield County are in Protective Services. This does not include families in protection.

Jim Thompson  
Missions & Outreach Chair

CarePortal has helped 35,665 children in 19 states. Child welfare professionals identify the needs of children and share them with local churches enrolled in CarePortal. Every response, whether meeting physical or relational needs, helps children and families.

In Fairfield County, the following churches are in the CarePortal ministry:

Life Church, Lancaster Vineyard, X Church, Pickerington Nazarene, Epithany Lutheran, Victory Hill and Christ UMC. Churches are presented with a family or child situation. The need is presented with the hope churches can respond. Churches are encouraged to pray for the situation.

## Safety Ministry

***“I will say to the Lord, “You are my place of Safety and Protection. You are my God and I trust you.”  
Psalms 91:2***

The Safety Ministry Team had a successful CPR class held on January 24, 2019 in the Fellowship Hall. There were 16 participants and the class was presented by Kasey Farmer, Assistance Fire Chief of Basil Fire Department. The next CPR class, for those that have registered, will be held on February 24, 2019, Sunday at 6:30 pm in the Fellowship Hall. If you are interested there may still be some slots open. We are also starting a list for a class in March, depending on Kasey's availability. We greatly appreciate his contribution to our Safety Ministry Team and CUMC. There is not a fee for the class, unless you need a CPR card which is \$5.00 – although donations to the Basil Fire Department are welcomed. This opportunity is open to the community – if you know someone who might be interested please have them contact Mardi 614-256-0566.

The Safety Ministry Team still has Drug Disposal Kits available at the Connection Center. This is a way to safely

dispose of any medications/prescriptions that are just taking up space in your medicine cabinets, night stands, etc. The Basil Fire Department has graciously donated these for our distribution into the community.

The Safety Ministry Team is now responsible for the background screening required by the Safe Sanctuaries Policy for Children/Youth and Vulnerable Adults at CUMC. The policy indicates that a background screening should be updated every 5 years. If it is indicated that a background screening is needed – you will receive an email from Trusted Employees that includes a link for you to access their website and complete the application and authorization forms.

If you have any questions about any of the above items, please contact Mardi McCluer 614-256-0566 or Dwayne Miller 614-562-4594.

The Empty Bowls Project is an international movement that began in the early 1990's and has raised money to help hungry people. It was founded by several school teachers in Michigan whose students wanted to raise money to help the local people who were hungry. They decided to have a fundraiser dinner of soup and bread. The image of the empty bowl reminds us of the many people whose bowls are empty because they don't have food.

In 2012 the Baltimore and Thurston churches held their first Empty Bowls Project. This year the event will again support the Baltimore Food Pantry, Liberty Township Community Chest, Thurston UMC lunch program and other needs in the community that benefit children, seniors and everyone in between.

Delicious homemade soups and cookies; crackers, cornbread muffins and beverages will be available. Churches, businesses and individuals will donate auction items for the silent auction and the live auction put on by Leith Auctions. There will be a Children's Activity Area where kids can purchase tickets for door prizes. There is no charge to attend. This is a fundraiser and donations will be accepted at the door, via the auction or can be placed in the Sunday collection plate. Note "Empty Bowls" on your check or envelope if making a monetary donation or place your donation in the envelope insert in your bulletin.

**Christ UMC has already gotten the 6 dozen cookies, children's gifts, corn muffin mix and soup taken care of. If you would like to personally donate (please no used items) an auction item or help with the event please let Darcy in the church office know at 740-862-4343 or email [office@christum-baltimore.com](mailto:office@christum-baltimore.com).**

Please join us on Sunday, March 3, from 4:00 to 6:30 pm and plan to support this popular winter community fundraiser in the Family Life Center.

**DARE TO CARE MINISTRY**

**You Can Help!**

Hi! I'm sure you've all received an encouraging note or card from someone on our Dare to Care team. Perhaps you've been truly blessed by the message and you know it can be uplifting and helpful. If so, you might prayerfully consider joining our team in writing a couple cards each week to our church family.

Carla Huntwork, Bonnie Simpson and I meet each week and prepare the names and addresses of those we feel might need a note. Then several in our congregation write

and mail the notes. We really need a few more people who would be willing to write and mail a couple notes each week. If you'd be interested in doing that, please let one of us know and we'll get you started!

Thanks so much!
