

WAPAC MINISTERS' & MATES' RETREAT FREQUENTLY ASKED QUESTIONS

- **Is this just for lead pastors and their spouses?** No, this event is for all WaPac ministers and their spouses.
- **If my spouse isn't able to attend, should I still come?** Yes! You still need the fellowship, relaxation and a time away. We will miss your mate, but want your participation and input.
- **What should I wear?** The dress for all retreat events and meals is casual - those jeans are just fine!
- **What can I do during my free time?** The easy answer is anything you want. But, you can...tour the village, shop, hike, nap, read, relax, golf, bike, visit, horseback riding, or go to **Leavenworth.org** for other options.
- **What should I bring?** Your favorite snacks to share with the group for evening fellowship time, table games for late nights or Tuesday afternoon if you like.
- **Can my children attend?** This a retreat intended for our pastors and spouses to enjoy time together away from the responsibilities of their church and family. We recognize that babies under the age of two may need to come with their parents. However, we would ask that you make arrangements for your older children to be cared for at home.
