A Blessed New Year!

Due to the increasing need for security, we are locking the back doors during service. After 10:30am the back doors will be locked and the foyer will be open throughout the entire service. We appreciate your patience as we take the necessary steps to protect the children and families here at Grace.

Sunday night, November 22nd at 5:30pm we will be holding a prayer service in the sanctuary. We encourage you to join us in this time of prayer for our church, community and this nation. We need to seek the face of God now more than ever!

Fresh Life Young Adults
Every Wednesday night, meet on the lawn and hang out with us at 8:00pm. Service begins at 8:30pm.

We have patched on our air conditioners all we can! We have got to replace 3 old units. The cost is around \$30,000.00. We are going to go ahead and have them replaced but we need to all help replace the money we are using from our General Fund. If every family in our church could contribute \$300 between now and the end of the year we will come close! We all love cool air so let's all help out the best we can! If you can give more that would be great! But everyone please do what you can! Thank you so much for your help and we know God will bless!

What We Believe
We have started our "What We Believe" Foundations Class, We are encouraging everyone to attend this in-depth study on what we believe as a church. Meets every Sunday at 9:30am

Listen to our message online!
All of our recent messages are available on our website to listen to. Also a great way to share the Word with your friends and family. CD's of our messages are available upon request. There are also articles by Pastor Glenn to encourage you through the week. Check it out! Just go to our website at www.gracecovenantwm.org and click the media tab. There is a lot of info on our website about upcoming events as well.

Reminder!
No food or drink is allowed in the sanctuary. We are trying to protect our place of worship and prevent unsightly stains in the carpet. Bottled water is allowed. Thank you for your help!

A Study Of The Book Of Revelations
Plan now to join us on Wednesday nights at 7:00pm for this important study of the Book Of Revelations. The fulfillment of Bible Prophecy is happening all around us everyday. And we need to understand these end times. Mark this on your calendar and plan to come each night!
