## *From the Pastor*

When the people in Jerusalem said, "We will not neglect the house of our God," they committed to observe the sacrifices and offerings required by God's law. They acknowledged they were regaining a special bond that had been lost. In that declaration, they renewed their commitment to obey God. In Christ, we are all part of the house of God. *1 Peter 2:5 says, "You also, like living stones, are being built into a spiritual house..."*

"The church is not a building. The church is made up of people.

When we say, "We will not neglect the house of God," it's an acknowledgement that God has filled our hearts, and our behavior should reflect His love. Living for Jesus is more than showing up to church every week or giving money. When our heart has been truly changed, every area of our lives is affected. Sometimes, like Israel, we need to be reminded of our commitment.

The church is made up of individuals changed by Jesus, filled with the Holy Spirit, making a difference. Something special happens when we commit to advancing the church together. There is synergy as we pull together with common purpose. We are unstoppable because God is unstoppable in us. Together, we can make a difference in our neighborhoods, towns, state, and to the ends of the Earth.

There are too many people to thank for our fantastic Sunday! People worked hard through the weekend to make sure many, many details were covered. From pancakes to refurbished spaces to great worship, it was good to be with God's people in God's house this weekend. Don't forget to welcome Curtis Mosby, Lily Street and Scott Knight to our fellowship.

Blessings!
