PARENT UNIVERSITY

Parent University is a community collaborative led by House of Faith, Immanuel Baptist Church, and Reagan Elementary to help parents become full partners in their children's education. The hope is to equip families with new or additional skills, knowledge, resources and confidence. The goal of Parent University is to empower parents to raise children who are successful in school, and in life while increasing parent involvement in the schools. ***Workshops are held at Reagan Elementary on Tuesday evenings from 5:00 to 7:00 beginning January 9. There will be a light meal served and childcare provided.*** If you would like to be involved, contact Bro. Tommy. We are asking for the entire IBC family to pray for lives to be changed through the relationships that will be developed.

From the Pastor

Now therefore fear the Lord, and serve him in sincerity and in truth: and put away the gods which your fathers served on the other side of the flood, and in Egypt; and serve ye the Lord. And if it seems evil unto you to serve the Lord, choose you this day whom ye will serve; whether the gods which your fathers served that were on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the Lord. -Joshua 14-15

As we begin 2018, I am reminded of Joshua leading God’s people and reminding them that following the Lord is a choice. Daily we choose to follow the Lord or to do what pleases ourselves. As we grow in the Lord, our desires change to match the Lord’s more and more every day. This past frozen Sunday, we looked at 4 possible choices each one of us could make this coming year:

1. **Choose to begin each week in church.** I don't come to church in order to win God's love. I come to church because he's already won my love.
2. **Choose to begin each day in God's Word** because I know the more time I spend with Christ, the more I become like Christ. So I'm starting my week in church and my day in God's Word.
3. **Choose to begin my prayers with thanksgiving.** Expressed gratitude may be the purest measure of my own spiritual condition.
4. **Choose to begin my pay period with a tithe** because I learned that 90% with God is so much better than 100% without God.

One or more may apply to your life right now. Which one could you choose to have a blessed 2018?

In Christ, *Bro. Tommy*
