From the Pastor

Whew! We have made it through the holidays and thankfully, we are back on schedule with regular work weeks in front of us!

Our Lottie Moon Christmas offering is going to keep going for a couple of more weeks. Some have not been able to attend church in a few weeks due to travel and/or weather, so we will allow more time for you to give to support nearly 4,000 missionaries around the world. Our current total is \$24,336.

On January 21, we will observe our Sanctity of Life Sunday. We will be having a “Diaper Drive” that day. If you would like to bring a bag or bags of disposable diapers to church, we will distribute those to local charities who help young parents around the San Angelo area. You have always shown great response to this need and it is a very appreciated donation by those who receive the diapers.

Along with the beginning of every new year, nearly everyone tries to improve on at least one area of their life. We try to “do better” at something we feel a little deficient about in our lives. If you have not finished your list of “doing better,” may I suggest spending a little more time with the Lord each day? Life seems to come at us faster and faster each year. In my own life, I am trying to just spend a little more time than usual reading my Bible, or praying, or listening, than I did the day, week, or month before. It forces me to slow down just a bit, and this slows down the pace of the day. I hope and pray 2018 is a year focused a little more on my God and a little less on my busyness. I pray the same for you!

Blessed to be your pastor,

Bro. Tommy

Parent University is a community collaborative led by House of Faith, Immanuel Baptist Church, and Reagan Elementary to help parents become full partners in their children's education. The hope is to equip families with

new or additional skills, knowledge, resources and confidence. The goal of Parent University is to empower parents to raise children who are successful in school, and in life while increasing parent involvement in the schools. *Workshops are held at Reagan Elementary on Tuesday evenings from 5:00 to 7:00 beginning January 9.* There will be a light meal served and childcare provided. If you would like to be involved, contact Bro. Tommy. We are asking for the entire IBC family to pray for lives to be changed through the relationships that will be developed.
