# **A Message from Pastor Matt**

Dear Friends,

I am very excited to share with you a wonderful and, I believe, Holy Spirit inspired opportunity that Prince of Peace has been afforded. In working with the Bishop's office to address staffing needs and concerns, we have the chance to call a second pastor to come and serve at our congregation. We have been given the name of an outstanding individual who will be graduating seminary this month, and (if called by the congregation) will be coming to us as his first call. This recommendation comes from Bishop Bill Gohl who has been supporting and encouraging Prince of Peace during this time of transition.

I have met and been in communication with the candidate, who I say with great excitement and sincerity is incredible, and we would be blessed to have him serve with us.

He is bright, articulate, and very faithful. He brings a deep spirituality that is beyond his years. I feel that we share the same work ethic, and I think we would be able to balance each other and provide great assistance in ministry.

He definitely has a pastor's heart, and I would want him to be my pastor if I was looking for a church (and for that matter will be pastor to my wife and children as we serve together).

I feel very strongly that he and I would work just as well as Deacon Shari Trotter and I did, and while not being a second Shari, brings a lot of the same gifts that she did, while adding many distinct ones of his own.

He is a "utility player" and will get along with both young and old. I see us working collaboratively, allowing current

ministries to deepen and strengthen, while allowing new ministries to grow.

He has been serving as a concurrent intern (meaning going to seminary and serving in a parish at the same time), and has had a lot of direct pastoral experience even though not yet ordained.

I cannot begin to articulate how excited and overjoyed I am imagining what God will do here in the coming years.

Again, if called by the congregation, this would begin as a three-year term call. The difference between a term call and a regular call, is that a term call is a fixed agreement between the candidate and the congregation. As such, at the end of the three year time, both parties could choose to continue. However, if it is not a possibility for a variety of reasons – sense of call, financial, other unforeseen circumstance, etc., either party could conclude the ministry at that time. However, it is my hope and prayer that the potential for ministry and growth will be realized and we will have a long and successful ministry together for as long as God wills it.

In discussing the financial obligations involved, the Finance Committee met and feels confident that we can make this three year commitment.

As we continue to discern the road ahead, the process will look something like this.

The candidate will meet with the Church Council soon. Due to the nature of the term call, and it being a second pastoral situation, the Church Council has the authority to act as a traditional call committee.

If recommended by the Church Council, Prince of Peace will hold a combined, ONE service on Sunday, June 25 at 10 AM. There will be a special congregational meeting to vote immediately following the service. There will also be a

chance to meet and greet the candidate at a light breakfast beginning at 9 AM. Following the service, during which the candidate will preach, the congregation will vote on the candidate, and if affirmed, will be able to start serving with us this summer.

Over the past year, many of you have expressed concern for me and my well-being, knowing that the needs and demands of the congregation are not small. I give thanks for your support, and for all the hard work that others have done to step up and continue the ministry we share. However, help is needed. Not just for me, but for the mission and purpose that we share in the Gospel.

I am firmly convinced that this individual is a gift and blessing from God to help us in this effort. I ask the congregation for its consideration and support in calling him to share in this work, and the wonderful faith community that is Prince of Peace.

Yours in Christ,

The Rev. Matthew C. Fuhrman

## **Upcoming Building Repair Projects Update**

Matthew 16:18 *And I tell you, you are Peter, and on this rock I will build my church, and the gates of hell shall not prevail against it.*

Matthew tells us that the church built upon a rock shall prevail against the gates of hell. Matthew does not mention that proper maintenance and sometimes largescale projects are required to keep the church in good repair. Of course Matthew was writing about the big ‘C’ Church and not the physical structures.

I am writing to update and advise you on the two largescale projects that have become necessary at Prince of Peace.

### **Electrical Feeder Replacement**

As you are aware, last summer BGE informed us that we must replace the underground electrical feeders that provide power to the buildings. While BGE will actually replace the underground feeders, PoP is responsible for all of the work required to make this possible.

PoP’s work includes excavation of a portion of the driveway and parking lot, installation of underground conduits, an outside concrete pad and miscellaneous electrical equipment both inside and outside of the building.

The PoP Property Committee currently has a professional engineering firm looking into the code requirements and will provide written direction regarding the work so we may obtain final bids. The anticipated cost of the work is approximately \$75,000.

### **Exterior Waterproofing and Foundation Drain Repairs**

Over the years, the three buildings (Day Care, the original church including Ellenberger Hall, and the Sanctuary) have

suffered from water infiltration during rains. Water penetrates the below grade walls on all three structures. Additionally, rain water runoff sheets from the parking lot toward the buildings that are at the low end of the lot. We have considered two different approaches to remedy these problems: a negative side (interior) solution and a positive side (exterior) solution.

The interior solution consists of a network of interior drains and (up to) eight sump pumps similar to what you may have in your basement at home. The storm water would then be pumped from inside the building to drains outside the building.

The exterior solution also requires new drains which would be installed around a portion of the outside perimeter of the buildings at the basement level and piped to the Baltimore County storm system. The walls will be waterproofed and rain water would be managed outside of the buildings and not allowed to come inside like a sump pump system would allow.

The two methods have been analyzed and the exterior approach has been selected as the preferred method, as water will be drained away from the building and not allowed to pass through the walls, which over time will deteriorate the concrete and block walls.

We have met with contractors to obtain pricing for both methods. Competitive bids are still being solicited for the exterior solution, but a price tag of approximately \$250,000 is expected.

### **Project Phasing**

Ideally, the waterproofing project should be done before the electrical work begins. Since new drains will be placed below the location where the new concrete pad and electric meter

will be installed, performing the waterproofing project first will be less disruptive and less expensive.

**Financial**

Before making any financial commitments, we will coordinate with the Finance Committee for direction.

**Next Update**

Look for periodic updates as new information becomes available and as the work is scheduled.

Regards,  
Prince of Peace Property Committee

## **SOCIAL MINISTRY**

Social Ministry will continue all Prince of Peace feeding programs throughout the summer months (even Food for Thought). We will be delivering backpacks to the students during summer months. Although the children can get weekday food at the schools, on weekends the children are again left food-insecure. Therefore, our Social Ministry team decided to continue providing backpacks to these 6 to 9 children throughout the summer. We will pack and help Robin Darago from Red House Run deliver the backpacks to the student's homes.

We are also asking if anyone in the congregation would like to be a shopper for the "Food for Thought" Program. You will be assigned a certain item or two to bring in a specific amount by the third week of the month. All items will be reimbursed by the Church. Call Carolyn Wagner @ 410-804-0808 if you would like more information. This is a vitally important role in the success of the program.

Also going strong is the food bag program we prepare in cooperation with the Baltimore County Department of Aging. Their volunteer picks up and delivers food bags to four seniors who live in Rosedale. We are now in the process of asking the seniors what foods they would like or need, so we can customize the bags for seniors. We would also like to expand to include more seniors in the future.

Although food programs usually get fewer donations in the summer months, as people think the need is not as dire as the winter months, we are here to tell you the need is definitely there in summer, as well. Our food pantry has been busier than ever recently. Social Ministry wants to say "Thank You Prince of Peace Congregation" for allowing us to serve so many local Rosedale residents with your support.

**STREETS OF HOPE NEWS:** The next fundraiser in the Streets of Hope “Have a Bite Nite” program will be on June 8, 2017, from 6-9 pm at Bob Evan’s Restaurant, 4110 Wholesale Club Drive, Nottingham, Md. 21236. You can pick one up in Prince of Peace’s Narthex or contact Barbara Nock (410-686-4774). ## WELCA

Hello to all the ladies from the WELCA Steering Committee. May was a busy month for the Steering Committee and June is looking almost the same.

**MOTHER-DAUGHTER BANQUET:** The Annual Mother/Daughter Banquet was held on Friday, May 12, 2017 at 6:30 PM, in Ellenberger Hall. Special thanks go to Mike Kinnear and Bud Frank for help in moving furniture, setting up tables and all the hard/heavy work needed to make the Hall as festive as it was. And, they joined Bob Scheufele, John Pritchett and Joe Erpenstein in serving drinks, dessert and doing after-party clean-up. Thanks, guys for everything you did!

Approximately, 80 guests attended the banquet and the moms presented their best dishes for the meal. Each small child received coloring pages and a pack of crayons and the moms and older children received favors of flower-decorated containers of chocolate candy.

Maria Rose and Danny Elswig entertained us with light country music, several novelty dances (the bunny hop and hokey-pokey) and their most requested Christian song, "On My Father's Side." The final song was "God Bless America," which gave us the opportunity to sing together to God for our Country. We ended the banquet with the Lord's Prayer. The Committee Members hope that everyone had a wonderful time at our 42<sup>nd</sup> Annual Mother/Daughter Banquet and are looking forward to next year's 43<sup>rd</sup>.

The Tuesday Morning WELCA meeting was held May 16, 2017 at 10 AM. Sharon Ormrod conducted the lesson from the June Gather Magazine with help from the five members who attended the meeting. The next Sunday Afternoon WELCA meeting is on June 25, 2017 in Ellenberger Hall, also, the last until September. The sign-up poster for lunch donations will be in the Narthex starting June 4<sup>th</sup>; please let us know if you want to attend. ## **PROPERTY COMMITTEE**

**HELP!** The property committee is encouraging congregational members to pitch in and help keep the church clean and in good order.

I get people are busy or forget, but it takes only a few minutes to clean the tables, put table and chairs in order and put unused items away. If you are leaving an item in Ellenberger Hall it would be helpful if you put your name and a short note on it.

Have respect for the Lord's House and help to keep it clean and in order.

Each one should use whatever gift he has received to serve others, faithfully administering God's grace in various forms. I Peter 4:10

The Tuesday evening work crew meets at 6:00pm. They have a variety of weekly/monthly jobs to do. Consider helping the crew when you can.

The property committee meets the 1<sup>st</sup> Tuesday of the month at 7:00pm in the Conference Room. We would love to have you on this committee. Think about it. Pray about it!!!

The chairman and contact person of the property committee is Bernie Schweigman, Jr

**Congratulations to all who celebrate! If you find an "active" member's name missing, it simply means that our church records are incomplete. We will be happy to add that information as you provide it to the church office. For assistance, please call 410-866-8766. Let us know of any omission so that we may update the church record and not miss you the next time.**
