EXTRA FUN: WOMEN'S PAINTBALL

Our paintball course is here on the camp property, and gameplay will last about an hour, depending on the number of participants. We should be done playing by 4:00 p.m., and you are welcome to shower/clean up before leaving if you want. We think this opportunity will be a LOT of fun and hope you consider joining us!

COST TO PLAY IS \$20

If you're interested in playing, make sure to bring appropriate clothes (long sleeve shirt, pants, and shoes you don't mind getting dirty), and be ready to have a great time! If you want to just stick around to watch, that's fine, too!

PRINCESSES WITH PURPOSE

Do you realize that as a daughter of the King, you are a princess? As a princess of the one true King, what is your purpose? Come share in a weekend of fellowship, food, and fun with other sisters as we learn about what it means to be a Princess with Purpose.

ABOUT OUR SESSIONS

There will be three sessions with each session focusing on our theme. The first will be "PRINCESS" which will focus on how we are daughters of a King. The second will be "WITH" which will be about how God comes alongside us in our lives. The third is "PURPOSE" which will challenge you to recognize that as a princess walking with God, you have a purpose.

ABOUT OUR WORKSHOPS

Our planning committee felt that out of our 50+ member churches at High Hill Christian Camp, we had to have plenty of women doing ministries or being involved in areas that others could truly benefit from learning about. So our workshop sessions are made up of women JUST LIKE YOU - doing life and ministry where they are planted. Some of our workshops will be about ministries that you could possibly start at your own church (like foster care needs, helping the homeless, or missions work), but there will also be workshops that will help you learn how to grow in your own life and ministry (mentoring, praying scripture, etc).

Our prayer is that we can spend a weekend getting to know the sisters in our area and hopefully put you in touch with some new friends that share a heart for the same things you do. If you have a ministry that you would be willing to share with others during our workshop times, please contact Lori at highhillchristiancamp@gmail.com.

ABOUT OUR SPEAKER

SUNDI JO GRAHAM

Sundi Jo is the author of Dear Dad, Did You Know I Was a Princess?, a memoir of gritty redemption, chronicling her one-year journey through her own discipleship program. Sundi Jo has a very powerful story to share of surviving sexual abuse, rape, abandonment, fear, pride, a food and pornography addiction, and more. God has given her a testimony to share with others seeking hope. She feels that she can share how she learned who she was in Christ, that God loved her with an everlasting love, that He had an amazing plan for her life, and that her past didn't have to control her future. Sundi Jo comes to us from Belle, MO where she has a ministry called Esther's House of Redemption which she began in 2012.
