### Once Upon an Apron

Are you a Mary  
or a Martha?

March 9-10

Speaker  
Beth DeFazio

### WOMEN'S WEEKEND

Mary and Martha were sisters that we find in the New Testament. They were friends of Jesus. They are known for the time Jesus came to visit and while Martha scrambled about busily to serve Christ, Mary sat calmly at His feet and listened to His teaching. Both ladies served God in very different ways, but they loved Him equally. Are you a Mary or a Martha - and how does that affect how we love and serve Christ in OUR lives?

Save the dates for next year's Women's Weekend and come find out why it's important to know your gifts and how to best use them for the Kingdom of God. Pre-registrations will begin in January.

Every summer we hire high school, college age, and even a few adult staff to help us run camp full time. This team works tirelessly behind the scenes to make sure that our campers have the best experience possible. They model Christ's example of not to be served, but to serve, and they do it without complaining. We seriously could not make camp happen without these people. If you know any of them personally, please let them know how much they are appreciated! **Kitchen Staff:** Nick Vaughn, Gail Houlthouser, Sarah Baker, Bethany Glore, and Jenna Berger; **Activities Coordinator:** Carrie Morrow; **Facilities Assistant:** Ben Glore; **Lifeguards:** Mattie Weaver, Sydney Weidlick, Taylor Goodman, and Dakota Pulley; **Nurse:** Trisha Waters.

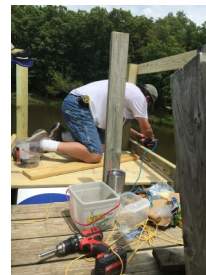

## UPDATES & IMPROVEMENTS

Our female campers were treated to a special surprise this year when they entered McKinzie Dorm—two of the previously outdated bathrooms were fully remodeled!

**Special thanks to Rick Chesnut for all his hard work to make this happen.**

(Below) Time was spent updating some of the fun features at the lake. The zipline was improved and now has an upper guide wire. The blob tower was reinforced and the platform was extended for the safety of our campers.

(Above) Our property at H&M had a few improvements made to it to help with our wilderness camps out there. The cabin was given a large front porch, a well was installed, and a cement pad with a carport over it was added.

## THANK YOU!

### HAVING CAMP TAKES A TEAM

We would like to say a quick thank you to some people who helped make camp possible this summer.

## #DeathToSelfie

Our theme this summer probably sounded a little bizarre to some people, but our campers were really impacted by the concept of dying to self. We spent the summer learning what it looks like to live a God first life in a me first world. We hope that you've been able to follow our adventures on Facebook or Instagram—a lot of photos and videos were posted all summer. We feel this was one of the best summers ever at High Hill Christian Camp! We are already gearing up for next summer—keep an eye out for our 2018 theme and dates coming this winter.

# STAFF CHANGES

We are pleased to announce that in May, we were able to hire Brian Glore as our newest staff member. Brian comes to us from Ferguson Christian Church where he and his wife Laurie have attended for 23 years. Brian recently retired from his cabinetry business and is very excited about using his gifts and talents at High Hill. He has now been through one summer with us and is doing a fantastic job! When we hired Brian, we didn't know that God had brought him to us at just the right time for this ministry. In June, Curtis let us know that God had called him to a new path and resigned as our Facilities Manager. Curtis and Rachel have been a part of our High Hill family for two years serving in whatever area was asked of them. They have been a blessing to the camp, and our prayers go with them as they seek God's will in their lives. Brian will be stepping into Curtis' position, and Lori will be taking over Rachel's duties in addition to her own. All of that said, we are currently looking to hire another fulltime person/couple (see job posting to the right). Please be in prayer as we are seeking God's will for the ministry of High Hill Christian Camp.

## NOW HIRING

**Have you ever thought that working at a church camp would be the perfect job for you? Maybe you know someone you can send our direction. Either way, we are hiring and are praying that God will bring us the perfect fit for our ministry.**

### FACILITIES AND GROUNDS ASSISTANT

We hold our employees to a strong Biblical standard as we are first and foremost a Christian Camp. A strong relationship with God and a Bible based home life are important to our beliefs. Additionally, we will give preference to a married couple where the spouse would work part-time and assist in various areas of the camp from helping with office work to cleaning and preparing for our rental groups. There are many details that we would love to discuss more with the right candidate and potential mission partner. *Pay will be commensurate based on level of expertise and experience.*

### **JOB DESCRIPTION/DUTIES OF POSITION**

- Assist with the upkeep and operation of the total camp facility.
- Ensure that the facilities are properly prepared and readied for winter maintenance and summer usage.
- Help coordinate and assign details to volunteers and paid workers.

- Ensure that the pool and pool area is well maintained and well kept.
