**QUOTES TO PONDER**

“Blessed are the pure in heart, for they shall see God.” - St. Matthew

“Bless those who persecute you; bless and do not curse them.” - St. Paul

“After each failure, ask forgiveness, pick yourself up, and try again. Very often what God first helps us toward is not the virtue itself but just this power of always trying again. For however important chastity (or courage, or truthfulness, or any other virtue) may be, this process trains us in habits of the soul which are more important still. It cures our illusions about ourselves and teaches us to depend on God. We learn, on the one hand, that we cannot trust ourselves even in our best moments, and, on the other, that we need not despair even in our worst, for our failures are forgiven.” -

C. S. Lewis

“Sanctification is the work of the Holy Spirit in us whereby our inner being is progressively changed, freeing us more and more from sinful traits and developing within us over time the virtues of Christlike character.” - Jerry Bridges

*“For I am **not ashamed** of this Good News about Christ. It is the power of God at work, saving everyone who believes – the Jew first and also the Gentile. This Good News tells us how God makes us right in his sight. This is accomplished from start to finish by faith. As the Scriptures say, ‘It is through faith that a righteous person has life.’” Romans 1:16-17*
