QUOTES TO PONDER

“The messengers of Jesus will be hated to the end of time. They will be blamed for all the division which rend cities and homes. Jesus and his disciples will be condemned on all sides for undermining family life, and for leading the nation astray; they will be called crazy fanatics and disturbers of the peace. The disciples will be sorely tempted to desert their Lord. But the end is also near, and they must hold on and persevere until it comes. Only he will be blessed who remains loyal to Jesus and his word until the end.”

— Dietrich Bonhoeffer

“If deep in our hearts we suspect that God does not love us and cannot manage our affairs as well as we can, we certainly will not submit to His discipline.” - Elisabeth Elliot
