## From the Desk of Pastor David Maxfield

*Dear Friends in Christ*

*Summer thoughts...*

The late evening sunset and the endless Dakota horizon are two of my favorite joys of summer. I can stand mesmerized by the stunning beauty which God paints before my eyes on a daily basis. Where do you find moments of wonder?

Recently we were flying back to Williston after some time away. On the ground a thunderstorm delayed our departure by over three hours. I would like to tell you that I was all “sunshine and happiness” but in all honesty I was just as grumpy and growly as the skies overhead. I was glad we were finally airborne as we climbed beyond the **30,000** altitude I looked out the window of the aircraft. There off to the left was a huge anvil-headed thundercloud. Its flat headed top was much higher than we would ever climb. The immensity of that cloud made it seem like an oval with an endless circumference. Then came the lightening from deep within the bowels of that heaven-borne mass. I was speechless. We were a safe distance and the pilot had told us we had been re-routed around that storm system. But from my seat our large airliner seemed oh so small, and once more the words of the classic hymn came to mind,

*Oh Lord my God, when I in awesome wonder,*

*Consider all the worlds thy hand has made.*

*I see the stars, I hear the rolling thunder*

*Thy power throughout the universe displayed...*

Soon we shall celebrate the 244th anniversary of the signing of the *Declaration of Independence*.

As we celebrate with hotdogs and hamburgers, with fireworks and celebrations please keep these words in mind...

*...We hold these truths to be self-evident,  
that all men are created equal and are endowed by their Creator  
with certain unalienable rights that among these are  
Life, Liberty and the Pursuit of Happiness...*

What ever your political persuasion, whatever your thoughts on the hot-button issues of the day, I hope you will take time to ponder these words and their place in our lives as a nation. Then however you are so inspired please take a moment to whisper a prayer of thanks.

I would like to invite you to a special concert. On Sunday, July 22 at 7:00 pm, we will welcome to Gloria Dei Jerry and Karin Gunderson and their music ministry “Heavenly Harp”. A graduate of Concordia College in Moorehead, Minnesota, Karin is a professional musician and music therapist. She discovered her special ministry as she shared her gift with people of all ages, especially the elderly and those in hospice care. It will be an uplifting, inspiring evening. Watch for details as we are exploring a pre-concert pot-luck or picnic, invite a neighbor and come to be blessed. A Free Will offering will be received.

Treasure each day, be aware of the wonder hidden in the here and now, and delight in the goodness of God.

Shalom,

*Pastor Dave*

## Hello from Parish Ed & 412 Youth!

We had another successful VBS this year. Over 80 kids registered this year! Thank you to everyone that helped make it such a success. Thank you to the committees also for your support in making meals for the kids.

We are in need of support for this upcoming year for church school and youth. We will be asking members to help with teaching, teachers helper, and meals for Wednesday night. We will have more specific information when we get a little closer.

### Upcoming dates:

July 11<sup>th</sup>-16<sup>th</sup>: 412 Youth Trip to Minneapolis (Please say some prayers for a safe and spirit filled trip!)

July 25<sup>th</sup>: Youth Picnic in the Park- Dakota Park 5:30-7:30

Sept. 9<sup>th</sup> & 12<sup>th</sup> will be the start of Church School, 412 Youth and Confirmation Classes.

We are asking the congregation to say some prayers for our ministry. As we grow in numbers we struggle to find volunteers to help with the kids and youth.

Please pray that God will understand our needs and our passions to teach the kids and youth to know and love him. Pray that our volunteers will have the passion for Christ in their hearts and minds and the patients and understanding for the children. Pray that the past and future volunteers know how much they are needed and how thankful we are for all that they do. Pray that the kids know that they are loved by God and by this church family. And lastly, pray for the parents of these children, that they will again this year understand the importance of the love of God in their children's' lives. Amen.

Thank you in advance for your prayers.

Parish Education Committee and 412 Youth Leaders,

*Heidi Clemes, Sherry Weyrauch, Kami Dornfeld, Georgette Huravitch, Bobbi Gathman, Wendy Slotsve, Ann Nelson*

# Community Connections

Working together to be a community where all people are valued.

*To you , O Lord, I lift up my soul;  
In you I trust, O my God.*

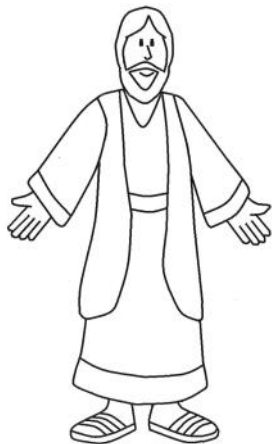

Psalm 25:1

We had the privilege and fun of working with the Booze Fighters Motorcycle Club to provide bicycles to the children of some of our clients. The people of the club did a wonderful job of raising funds to buy new bicycles. Businesses in the community contributed food so we could have a celebratory barbeque. We want to thank Coca Cola Williston, Cash Wise, Albertsons, Dairy Queen, Hardees and Smiling Moose for their wonderful contributions of food and beverages.

## **FALL BAZAAR**

Needed co-chairs for the FALL BAZAAR!

A fun opportunity to help in what I consider a GREAT time of FELLOWSHIP and getting acquainted with members you may have seen or even knew their name, but will learn more about their interests and faith walk.

Our Bazaar date typically is the Saturday before Thanksgiving, so that would mean this years potential date is November 17<sup>th</sup>.

We have strong group leadership in all areas and have people from the past that have provided great notes so individuals can step in and fill the role.

Please contact me with any questions and watch for a scheduled meeting in August to start our plans.

Thank you, Deb Bingeman 701-572-6155

## Seminary Update

Greek starts on July 23 and my books have been ordered. Pastor Nicole Martin at Good Shepherd Lutheran has offered to help mentor me (and keep on task when I feel like running away from class), so I believe I am set up for success. Wartburg Seminary fast fact: 50 students in my cohort this spring. 38 long distance, 12 residential; the new collaborative and distance learning programs are enabling more people to answer the call to serve in the church, that would normally not be able to do so. All praise to God!

## Amazing Hymn/Song Story: Great Is Thy Faithfulness

While many hymns are born out of a particular dramatic experience, this hymn was simply the result of the author's morning by morning realization of God's personal faithfulness. Thomas Obadiah Chisholm was born in a log cabin in Kentucky. Without the benefit of high school or advanced training, he began his career as a school teacher at the age of sixteen, in the same country schoolhouse where he had received his elementary training.

When he was twenty-one, he became the associate editor of his home town weekly newspaper, *The Franklin Favorite*. Six years later he accepted Christ as his personal Savior during a revival meeting. Later Chisholm was ordained to the Methodist ministry but was forced to resign after a brief pastorate because of poor health. Chisholm retired in 1953 and spent his remaining years at the Methodist Home for the Aged, in Ocean Grove, New Jersey. In a letter dated 1941, Mr. Chisholm wrote; "My income has not been large at any time due to impaired health in the earlier years which has followed me until now, although I must not fail to record the unfailing faithfulness of a covenant-keeping God, for which I am filled with astonishing gratefulness."

## THE WHOLENESS WHEEL

Intellectual well-being helps us keep our minds alert and active, staying curious, asking questions and seeking answers. The key here is to explore new responsibilities, experience new things, engage in conversations, and keep an open mind. As we study scripture, we as theologians (yes that's you and me), continue to explore the Word, ask questions and engage in conversations. This in turn helps to strengthen our faith, build strong community, and brings the scriptures alive and relevant in each of us.

Do you have a plan and commitment to life-long learning? I do, and I hope that you will join me, as we spread the good news of the gospel to the world!

## *Gospel Seeds....* *July 2018*

### *Honest Talk...*

We have just come off an amazing Synod Assembly. Our Presiding Bishop, Elizabeth Eaton, was engaging, witty and extremely honest. She talked openly about her 2016 statement on the Dakota Access Pipeline. Not backing away from what she wrote but at the same time saying she has come to an understanding that this is an extremely complex issue which will take her (and many others) a long time to truly understand.

Her openness to speak into this difficult subject, knowing how polarizing the topic can be was a blessing. It was a model for us to replicate – have open honest conversation about issues. One we need to address in this synod is racism, especially as it relates to how we interact with our Native American brothers and sisters. Pray that we can find ways to engage openly and honestly in these issues.

### *More Honest Talk...*

We also talked openly about the finances of the synod. At the end of the past two fiscal years I have been forced to down-size staff. It meant saying good-bye to people who were valuable members of our team. However, as I look to 2020 and the election of the next bishop we need to have our financial house in order. The synod has been balancing our budget on the possibility of taking funds from reserves. We have not had to do that each year – because Mission Support from congregations has exceeded what we had budgeted. For that I say a huge thank-you.

At the same time, we need some honest talk. In cleaning our old paperwork, I ran across a report from 1993 listing the Mission Support from each congregation. Many congregations on the list are giving close to the same Mission Support today as they did 25 years ago, meanwhile inflation has increased 65%.

We have important work to do together as the Western North Dakota Synod. There are candidates for ministry to walk with; there are congregations who need conversation partners to dream new dreams and put action plans together; there are new ministry to start, like campus ministry in Bismarck; there are faith formation gatherings to create. Mission Support makes all of this and much more possible. Bottom line, without Mission Support our ministry is restricted.

*Synod Assembly 2019: June 7 & 8, 2019 –  
Pre-Assembly June 6*

### *A Time for Leadership...*

During our assembly I called for bold leadership. It is time for congregational members to stand up and clearly state that congregations exist for the sake of engaging God's Mission. Congregations exist so the Good News of Jesus is proclaimed, so the sacraments can be celebrated, so the Word can be heard and studied.

It is time for each congregation to engage conversation around mission and ministry in God's name. It is also time to stand up against petty arguing, gossip and any other actions which tear down the body of Christ. We are called to important work. We need leaders who are willing to share a vision beyond our own desires for the sake of those who do not yet know the love, grace and mercy available through Jesus.

### *Videos Available for Study and Conversation...*

Would you like to listen in on parts of Synod Assembly? We have now uploaded the 4 Bible Engagement Sessions, the "Dream Church" visions from 3 young adults, the "State of the Synod" address and a brief portion of the Question and Answers with Presiding Bishop Eaton (technical difficulties prevent us from sharing the entire session). To find the videos go to Vimeo.com and search Western North Dakota Synod. An outline for using the Bible Engagement can be found on the Synod Website under the Resources Tab.

### *A time away...*

We are glad to announce that Deacon Beth Anderson, Assistant to the Bishop for Candidacy, Faith Formation and Communication is now on sabbatical. Beth will be back in the office August 13<sup>th</sup>. A significant amount of her time away will be for spiritual renewal. Blessings Beth!

### *Welcome...*

A new voice will greet you at the Synod Office front desk or on the phone – Laurie Jesz is our new Office Assistant. Laurie is originally from Bismarck, is a military veteran, has a background in nursing and has operated an event planning business. When you get a chance, welcome her.

Blessings All!

## Faith News July 2018

It's hard to believe that I am here typing my last letter to you before I travel out of the states. Time does not take its time (haha ☐). Over the last month I have been busy volunteering at Theodore Roosevelt National Park and helping my family at home around the farm and ranch. During this period, I have had the blessing of being able to visit with some people from home. I am praying that God continues to water His creation over the next couple of hot months that this season will bring. Mother nature is proof that we cannot control life, and that we are dependent upon the good Father to “prosper us and not to harm us, plans to give us a hope and a future (Jeremiah 9:11).”

I believe that God has this plan for all His children. You, me, friends, family, and strangers alike are the human beings that Jesus lived, suffered, and died for so that we may know Christ eternally and deeply. It is exciting to know that God has had this mission in His plan all along for His children in South Asia that is full of hope, a future of Jesus, and free of the weight of sin. “For the wages of sin is death; but the gift of God is eternal life through Christ Jesus our Lord. (Romans 6:23).”

In the last month of preparing, our team has met several times over video chats. I already feel like we are becoming family as our hearts are breaking deeper for the part of the world that we are traveling to. It has been eye-opening to learn about Hinduism, and humbling to understand how to share Christ in a new way. I pray for conversations that are filled with Christ taking control of questions and answers so that hearts are broken for His name. One thing that has stuck out in my mind as we have talked over our video chats is Romans 1:19-23:

<sup>19</sup> since what may be known about God is plain to them, because God has made it plain to them. <sup>20</sup> For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that people are without excuse.

<sup>21</sup> For although they knew God, they neither glorified him as God nor gave thanks to him, but their thinking became futile and their foolish hearts were darkened. <sup>22</sup> Although they claimed to be wise, they became fools <sup>23</sup> and exchanged the glory of the immortal God for images made to look like a mortal human being and birds and animals and reptiles.

Everyone has been made known of God's existence by God- “we are without excuse.” Deep in our hearts, Jesus has broken a barrier of sin ages ago so that we may be free to make that choice of opening the door when He is knocking. It is interesting to not only see the big differences between Hindu and Christian beliefs, but also the similarities. God has been made plain to all of us, but when our hearts start placing other idols and priorities above Him and stop glorifying His name, we can forget the grace He has for us. Praise the Lord that His grace is unconditional, and His love is everlasting.

We will be departing from the states early July. The Lord has gone before us all to prepare our hearts to be deepened for His heart. I pray that you, I, and the people we meet have hearts that break for the hope of Jesus. If you would like to hear about the mission when I return, I plan to give a presentation in Grenora and speak at Faith Church early August. I do not know the exact days yet, but I can notify you when I find out. Thank you for all of your support again, it is wonderful that Christ has brought us together to glorify His name. God bless.

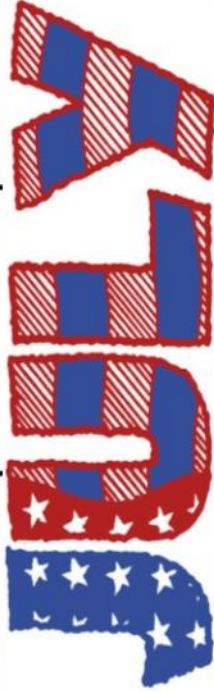

Love,

Chelsea Berg
