# From the Desk of Pastor David Maxfield

**Dear Friends in Christ.**

**“Gathering to grow to the Glory of God”** What a mission statement our congregation has. The purpose of a mission statement is to respond to the question of “Why” as in “why are we here, why do we do the things we do, why here, why now” and perhaps the most important question, “why me?”

Beginning in August, and launching in September I invite you to prayerfully consider and participate in several important events/ groups/ and opportunities to “gather and grow”

**Thursday, August 30-The Vision thing...** We been together for the fullness of three years. Where is it God is leading us? As we listen to the community, to our neighbors and to each other what is rising up?

Come and join the Council and Committee members as we “look down the road a bit” casting a prayerful vision for the next three to five years. (hint: I suspect it will have something to do with the other “g” that our mission statement is missing— g as in “Go to serve”. Your input is valued,

**Stephen Ministry**— We are in the process of placing care receivers with our team of 5 Stephen Ministers, but you know what? The need of people who are hurting and longing for care far exceeds what we can do. How about you? Is God stirring in you to share in this ministry of care in the name of Christ? We will be sharing the story, the vision and inviting you to be a part of our next training class which will begin in late September. But in the meantime pray and ask God if this is a way for you to “Go to serve”

**Alpha**— born of conversations in the coffee shops of suburban London, Alpha is safe place where people can ask questions about God, faith, and life. Yes it was started with those who did not know about Christ but now it has grown to be a place where people can gather— grow— and discover the love of God.

*Why am I here? What is the purpose of life? Can I trust the Bible? Who is Jesus, really? How can I know God? How do I pray?* These and other questions all of us have asked form the basis for small group discovery and personal transformation... we will be collaborating in this program with our brothers and sisters from First and Good Shepherd Lutheran Churches— watch for details coming in September.

**Financial Peace University**— after a successful summer launch, FPU returns. Whether you have debt, financial questions or want to discover the connection between faith and \$, Financial peace is a confidential study group. The presenter is Dave Ramsey, nationally known financial guru. The sessions are practical, challenging, stimulating. More to come.

**Saturday Morning Bible Breakfast**— A gathering of men around food, coffee, life and the Word. We tell stories, enjoy a meal and take a look at the lessons for Sunday. All questions are welcome as Bill Christensen guides us . There’s a place at the table for you! Come and join us every Saturday 8-10 a.m.

**Where Jesus Walked...**The Bible comes alive as we walk it trails, sit by the Sea of Galilee or explore the ruins of Ephesus. With the eye of a camera and the teaching wisdom of Biblical scholar, Dr. Ray VenderLaan we will “walk in footsteps of Jesus”. Discussions will start on Sunday mornings in September, come and be a part of the journey.

Well that is just a taste of the opportunities to gather and grow this fall. What might God be calling you to do or to lead? Perhaps you have an idea, a passion, a what if... let’s talk and let’s make it happen.

Our call to “Gather and grow” finds its expression as we “go to serve” to be the hands and feet, the instruments of peace to a hurting world, Now more than ever we are hungering for people of faith to live “for the glory of God.” It’s who we are, it’s woven into the DNA of our baptism, it is the call of discipleship.

***Gathering, Growing, Going to serve, all for the glory of God!***

***Pastor David***

1. How is it that God has blessed us this past year?
2. What is our congregation doing that is making a difference in people’s lives?
3. What is our congregation doing that is making a difference in the world?
4. How do we feel God is calling us to respond to God’s blessings through our giving to the congregation next year?

# Community Connections

Working together to be a community where all people are valued.

Greetings from the Community Connections Staff:

The number of homeless people requesting assistance at Community Connections has increased 37% January-June 2018 compared to January-June 2017. In June we served 18 homeless adults. The majority of requests are for employment services and assistance for gas, lodging, rent, and utilities. Our employment counselor, Steve Peters, and the collaboration with other agencies is valuable to our clients so they can take the steps necessary to achieve self-sufficiency.

Our Executive Director, Lynea Geinert, has been busy with grant writing. She has held 7 meetings in area churches to inform people what Community Connections is all about and to gather ideas from those attending as to what we as a community can do to help the homeless.

One of the needs in our community for our homeless is to provide food during the week. Faith United Methodist Gifts meal and Banquet West meal at First Lutheran have wonderful meals on Saturday and Sunday, but people are hungry during the week also. We are looking for assistance from church groups or volunteers who would put together sack lunches that could be provided Monday-Friday from 11:00-2:00. We are also looking for a place of distribution. Please contact Sandy Winter at (701) 713-6783 with any ideas or for more information.

May God continue to bless the ministry of Community Connections as we continue to serve the most vulnerable in crisis situations and to promote a path to self-sufficiency.

**Worship Committee is excited to announce the return of Flat Jesus! Gloria Dei loved seeing where Flat Jesus popped up with our members, visitors, and friends last summer, and we can't wait to see where He goes this year. Printouts of Flat Jesus are available in the Gathering Area, and we encourage you to pick one up and take Him with on your travels this summer as a reminder that no matter where we may be, He is always with us! Visiting family? Going overseas? Taking a cruise? Attending worship elsewhere while out of town? Going camping? Heading off to college? We would love to see where you and Flat Jesus will go this summer! Pick up a printout and include Him in your summer photos – just be sure to email the pictures to [office@gloriadeiwill.org](mailto:office@gloriadeiwill.org) so we can all enjoy the reminder that Jesus goes with us wherever we may be!**

## **Needed co-chairs for the FALL BAZAAR!**

A fun opportunity to help in what I consider a GREAT time of FELLOWSHIP and getting acquainted with members you may have seen or even knew their name, but will learn more about their interests and faith walk.

Our Bazaar date typically is the Saturday before Thanksgiving, so that would mean this years potential date is November 17<sup>th</sup>.

We have strong group leadership in all areas and have people from the past that have provided great notes so individuals can step in and fill the role.

Please contact me with any questions and watch for a scheduled meeting in August to start our plans.

Thank you, Deb Bingeman 701-572-6155

# 412Youth Youth Mission Trip 2018– Minneapolis

We started out our time with making 100 bag lunches for the Simpson House in Minneapolis. The sack lunches are given out to the people who are staying at the shelter before they leave for the day at 9AM. Most of the residents don't have enough money to pay for their own lunch so they are not able to eat again until they come back at 5:00 at night. The volunteer coordinator there, took the kids on a tour of the facility and explained about the homeless crisis in Minneapolis.

After we finished delivering the bags to Simpson House, we headed to South Minneapolis to help a lady with medical problems by doing yard work.

In the 90 degree heat and 70% humidity, we worked in her yard for 2 hours. She was very appreciative of all the help that we gave her!

Day 2 was spent at Seconds Harvest Food and at ARC Value Village.

Second Harvest Foods receive donated items that had to be repacked to be given out to those in needs. We helped repack potatoes with some other groups from Minneapolis businesses. In total, we repacked 16,000 lbs of potatoes. So if each person get a 10 lb bag of potatoes, that would be

1600 people that we helped!

After the potato extravaganza, we headed to ARC Value Village. ARC is a second hand store and all the proceeds from the store go to helping people with disabilities. There we sorted items and put them on shelves to be purchased.

We finished up the day with going to do shopping for the Pediatric Department at Hennepin County Medical Center. The kids got the wish list from HCMC and a budget and were told to pick out items that you would enjoys doing or playing with. We delivered all the items to the hospital on Saturday afternoon.

We finished up our work on Saturday by helping Mr. Nelson with his yard. He told us stories of when he was younger and showed us how to tie knots for the twine so it wouldn't slip. His wife had passed away a few years back and his health was not good, so he wasn't able to keep up with his yard work.

We closed out our time and rested on Sunday with going to church at Peace Lutheran Church in Plymouth and we went to a Twins baseball game.

Thank you to the Men's group for donating money for the sack lunches and the Bazaar Committee for donating money for the toys for HCMC. Thank you to the members for all the prayers. This trip was a success!

## ***Gospel Seeds....*** ***August 2018***

### ***This Changes Everything...***

As I write this I am sitting in Houston at the National Youth Gathering. The theme verse for this gathering of 30,000 ELCA youth and their adult leaders is Ephesians 2:8:

*For by grace you have been saved through faith, and this is not your own doing; it is the gift of God.*

Jesus death and resurrection changed everything! Period! End of story! The world was changed by Christ's freely going to the cross. Through the cross God has pronounced us worthy of God's love and mercy.

### ***Daily Themes...***

Each day of the gathering we engaged a different topic:

Day 1: God's Love Changes Everything

Day 2: God's Grace Changes Everything

Day 3: God's Hope Changes Everything

What amazes me is the intentional work that goes into the planning of these gatherings. From providing excellent study resources to help prep participants in the event, to the well thought out work projects and the opportunities for participants to think and talk about faith and daily life.

### ***Do we believe it???***

Do we really believe that Jesus' death and resurrection has changed everything? Do we trust God's promise of ongoing, unearned and unmerited love? If we are honest the answer is, "Not always." We live in a world where "nothing is free" and so it is hard to fathom a God whose love is.

Through God's grace we are set free to love and serve our neighbors. Such service is offered with no strings attached. We are moved to love and serve the neighbor because God first loved us. This is what it means to live the Good News of Jesus Christ.

We gather weekly to worship the God who gifted us in such an incredible way. We worship to thank and praise God but also to hear God's Word of grace and forgiveness. We taste it in the meal, we hear it in the music, we encounter it as a gathered community.

Then nourished we are sent back into the world to be a witness to what God is all about. As the Holy Spirit stirs in our life we are changed, thanks be to God!

### ***Synod Happenings...***

-We celebrate the Ordination of Kayla Hill on July 29, 2018. Kayla has been called to serve the people of United as One Parish – Powers Lake, Battlevue and rural Kenmare.

-We welcome Rev. Justin Johnson who has begun a call serving the people of English Lutheran, Hazen. It is a blessing to welcome you to the Western North Dakota Synod.

-We welcome Rev. Natasha Kolles who will begin her call as Associate Pastor, Zion Lutheran, Minot in mid-August. We are looking forward to the gifts you will share.

Anna Haugen who has served Augusta-na, Underwood and Birka, rural Washburn. Blessings to both of you and thanks for sharing your gifts with the people of this synod.

### ***Upcoming Events...***

Thanks for supporting congregation visioning, congregational renewal, training new pastors and deacons, sending missionaries around the world and much more. Thanks for your partnership – you are a blessing.

Blessings All!

### Little Billy

**Whoever welcomes one of these little children in my name welcomes me, and whoever welcomes me does not welcome me but the one who sent me. Mark 9: 37**

Little Billy's Sunday school teacher was teaching the class the Ten Commandments. This Sunday they were studying the Six Commandment, "Thou Shall Not Commit Adultery." She asked if anyone could find a bible verse that said a man could only have one wife. Of course Little Billy's hand was the first to go up, and the teacher was a little bit hesitate to ask him but he volunteered immediately, "Isn't it the verse that says no man can serve two masters?"

A agnostic teacher confronted Little Billy who believed in Jesus Christ. "There are many thru out history who claimed they were God. How can you be sure who told you the truth? He asked? Little Billy responded without hesitation: "I believe in the one who rose from the dead!"

The Sunday school teacher was teaching the Ten Commandments and the commandment that day was the fourth: "Honor thy father and thy mother." Now does anyone know a commandment for brothers and sisters?" She asked cautiously knowing Little Billy would volunteer. Of course he did: The Fifth Commandment, "Thou shall not kill."

The teacher asked her class, "Which is more important, the sun or the moon?" Little Billy answered, "The moon." The teacher then asked why the moon was more important than the sun." Little Billy explained, "The moon gives us light at night when we need it the most...The sun just gives us light in the day time when we rally don't need it."
