### How Do I Give To The Church?

- \$ We don't 'pass the plate', but giving receptacles are on the back wall as you exit the sanctuary.
- \$ Envelopes are available for your giving (back pockets of the chairs) or at receptacle boxes.
- \$ Offerings can be specifically designated for a particular event/ministry/program.
- \$ For your convenience, we have a 'giving station' located at the reception desk in the back of the sanctuary! This will allow you to contribute to the ministry via credit/debit card!
- \$ You can also donate to the ministry via our website. You can schedule a one-time gift or set-up auto monthly donations.

### **Praise Notes...**

The Heart of A Worshiper Part 5-"A Word-Filled Heart"

Psalm 119:11 GW

"I have treasured Your promise in my heart so that I may not sin against You."

Hiding God's Word in our hearts gives us access to His will, His truth and His promise. When we worship with Word-filled hearts, we are worshipping in spirit and truth!

*Let the praise begin!*

### A Mother's Secret

Someone asked a mother whose children had turned out well how she had prepared them for usefulness and Christian living.

"When I bathed my children," she replied, "**I prayed** they might be cleansed by the precious blood of Christ.

"When I helped them get dressed for the day, **I prayed** they might be clothed in the robes of God's righteousness.

"When I prepared for them a meal, **I prayed** they might be fed with the Bread of Life and drink from the well of Living Water.

"When I saw them off to school, **I prayed** their faith might grow just as strong as their bodies and minds.

"And when I put them to bed at night, **I prayed** they might remain forever safe in the arms of their Heavenly Father.

***As a mother and wife, I prayed for my family!***

### Portrait of a Mother

A mother can be almost any size or age, but she won't admit to anything over thirty. She has soft hands and smells good. A mother likes new dresses, soft music, a clean house, her children's kisses, an automatic dishwasher, and Daddy.

A mother doesn't like having her children sick, muddy boots, temper tantrums, loud noise, or bad report cards. She can read a thermometer (much to the amazement of Daddy) and like magic she can kiss a hurt away. She can also bake good cakes and pies, but prefers to see her children eat fruits and vegetables.

A mother can stuff a fat baby into a bathing suit in seconds and can kiss little faces and make them smile. She is underpaid, works long hours, and gets very little rest. She worries too much about her children and no matter how old they are, she still thinks of them as her little babies.

A mother is the guardian angel of the family, the queen, and the tender hand of love. She is the best friend her family will ever have. A mother is love.

**AS WE CONTINUE OUR NEWEST ADULT BIBLE STUDY IN WHICH WE WILL CONTRAST THE 'WORKS OF THE FLESH' AND 'THE FRUIT OF THE SPIRIT'.**

*"We should rejoice that (wordly) people cannot, with their present characters, be admitted to Heaven. We should rejoice that there is one world where these vices are unknown, a world of perfect and eternal purity. When we look at the earth; when we see how these vices prevail; when we reflect that every land is polluted, and that we cannot traverse a continent or an island, visit a nook or corner of the earth, dwell in any city or town, where these vices do not exist, O how refreshing and invigorating is it to look forward to a pure Heaven!"*
