### How Do I Give To The Church?

- \$ We don't 'pass the plate', but giving receptacles are on the back wall as you exit the sanctuary.
- \$ Envelopes are available for your giving (back pockets of the chairs) or at receptacle boxes.
- \$ Offerings can be specifically designated for a particular event/ministry/program.
- \$ For your convenience, we have a 'giving station' located at the reception desk in the back of the sanctuary! This will allow you to contribute to the ministry via credit/debit card!
- \$ You can also donate to the ministry via our website. You can schedule a one-time gift or set-up auto monthly donations.

### Praise Notes...

*The Heart Of A Worshiper Part 1-"The Contrite Heart"*

Psalm 51:17 GW

"The sacrifice pleasing to God is a broken Spirit. O God, you do not despise a broken and sorrowful heart."

*We may experience guilt at times when it seems all we do is go to God with our hurts and problems. God loves us so much and a worshipping heart is at times a broken or hurting heart reaching out to our loving Father. He is always near to us and ready to hear our cries.*

**Let the praise begin!**

### A True Love

*Love can always conquer whatever discord brings, and love can also cover a multitude of things.*

*Don't you underestimate what love can ever do, for love is God eternal and His love can renew.*

*What is cold and lifeless, has lost all hope and died, but love can breathe new meaning and give it back new life.*

*Please don't give up on love when it seems that all is lost, for there is always hope if we're prepared to pay the cost.*

*For love is always worth it no matter how much the price, for love will be much stronger when we trust in Jesus Christ.*

*So let God have full reign, let Him live within your heart, then you will know true love for this He will impart.*

Every one of us needs an occasional visit to a medical doctor for a checkup to make sure our physical body is working as it was designed and to determine that we don't have an unknown serious internal condition.

The same is true with our spiritual lives. As creatures of habit, we tend to go through life on autopilot. We often miss clues that indicate that our spirit is not enjoying the good health that God created it for.

In the same way that the doctor puts us through a battery of tests to diagnose potential physical problems, God has given us a process of evaluating spiritual problems in our lives:

*But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control. (Galatians 5:22-23)*
